Dear Marcy,

I really hate to stop and
that we are juniors already.
It seems like just yesterday
that we were 7th graders
going to tackle that big
junior high.

Keep up your good
personality and you
wouldn't have any
trouble the rest of
your life.

Dear Marcy, I
love it really
even though I
don't see you
again next year.
Good luck

Hi Marcy,
This year has
gone too fast, but
it's been a lot of
fun. Next year we
will have to really
go to "M.I.F." OK?
I hope I see a lot
of you next year.

Our way of life at Park, filled with classes, homework, and activities, and our school, constantly growing in prestige and setting new standards of education, are well deserving of a seal — a lasting symbol of Park.

Enclosed in these pages is its development from a mere sketch to the finished emblem. Created by the Echowan staff, the seal is soon to be found in all phases of Park's school life including the new flag.

With pride and anticipation, we present to you the 1959 Echowan, the product of hours of diligent but pleasant labor.

SENIOR HIGH SCHOOL

Dear Marcy,
At last you are a junior
which still seems impossible
to me. I still picture you
as a little kid.

It seems like time has
slipped by so quickly. I know
you are having a great year, if
you are as much fun, if
not more. I hope you are
happy. I was a junior, and I
felt like I was older when
I see all you kids now
up a grade in school.

Well Marcy, I wish
you all the luck in
the world, because you are a
real sweet girl. Just stay
that way.

I'd like to wish

you a great summer and be good.

Hi.

This year sure has been fun and I'll never forget it. Remember that band contest? I'll bet you'll never forget those guys and either will I. Ish!! It was really sort of funny though there and in phy. ed. Good luck next year and I also hope you'll have a lot of fun next year as I'm sure you will.

Narcie,

Boy, has it been fun in Mr. Wright's class this besides his tests and marks that is. Remember that time he changed my seat from in front of Betty to in front of Dick what a mess. I think he has regretted it since. See that what was a long time ago wasn't it. Walking down to lunch was exciting too. Your birthday was also a ball. Maybe some year I'll be able to talk one similar to those you had. Congratulations on getting into the Club. I hope sometime you will be able to go out with Jim. See you this summer in your new car. The bell rings and so begins another academic day at old Park High. This section is set aside to remind us of the tremendous amount of learning captured during those seemingly endless hours of classtime.

We dedicate this section to . . .

Left: Every girl's dream? Probably not, but models like this do help clarify the ideas of our text.

Right: This process of distillation is important to industry. So, watch it closely!

SCIENCE

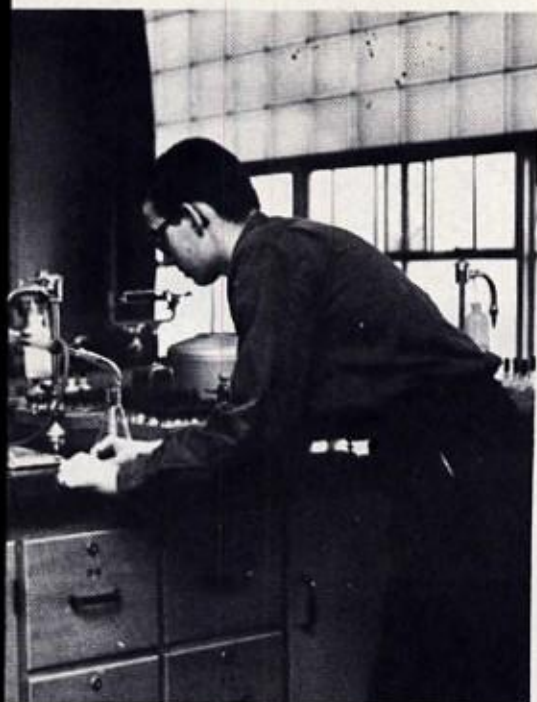

The Science Department aims: (1) to develop clear thinking minds, (2) to help us explore possible scientific vocations, (3) to give us a better appreciation of science, and (4) to develop within us a better understanding of our world and the world of the future.

- Biology
- Chemistry
- Physics

Right: Numerous real and lifelike exhibits are found in biology rooms.

A mad scientist! No, just one of Park's chemists performing an experiment.

Two of our physicists seem to be puzzled by this "water from nowhere?"

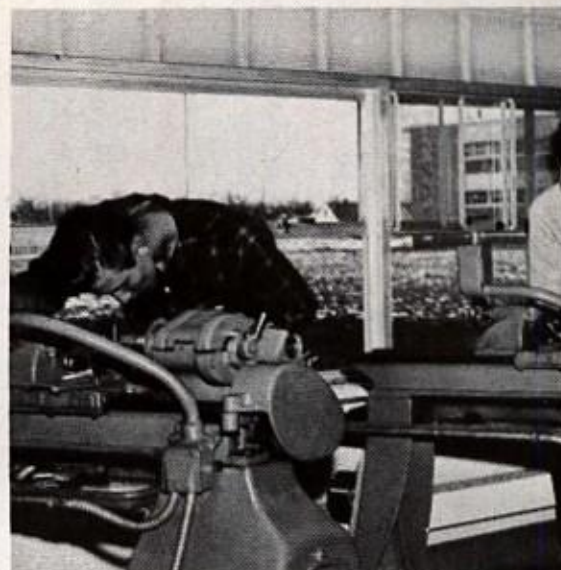

Right: The odor of formaldehyde, the clip of scissors, and the crunch of a scalpel all contribute to the atmosphere of the biology rooms.

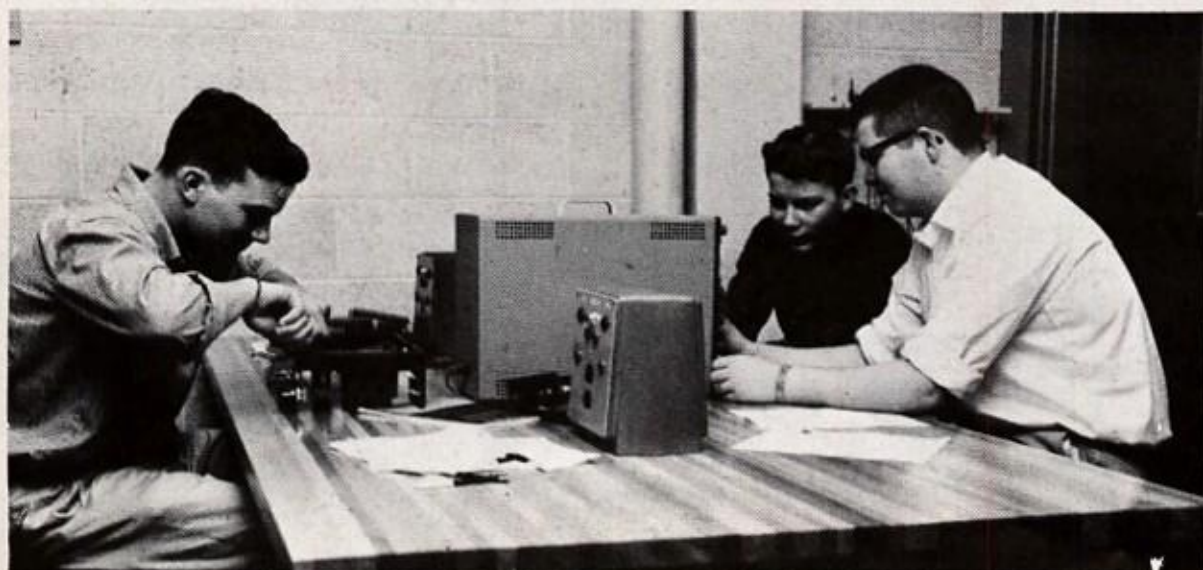

Tables aren't easily built. Many operations are required before a Parkite can declare with pride, "I made it!"

INDUSTRIAL ARTS

The aim of the Industrial Arts Department is to provide us with a better all around academic program by teaching us to work with our hands as well as our minds.

- Drafting
- Machine Shop
- Electricity
- Graphic Arts
- Woodworking

Incorrect wiring or a faulty tube can mean added hours of work for these students.

After a course in machine shop we can operate machines to turn out products comparable with the best.

You can blame this circle saw for the shrill sounds heard in the vicinity of the wood shop.

*Dear Marcie,
I was sure glad
to meet you this
year. The reason why
is that you are so devoted
to your school work. Good
luck next year.*

*Devot
Libby*

Everything from a cheerful "Merry Christmas!" to a confident "Beat Tonka!" appears on articles printed by the graphic arts department.

The designs for houses, bridges, and churches of the future may come from the ideas of these architectural drafting students.

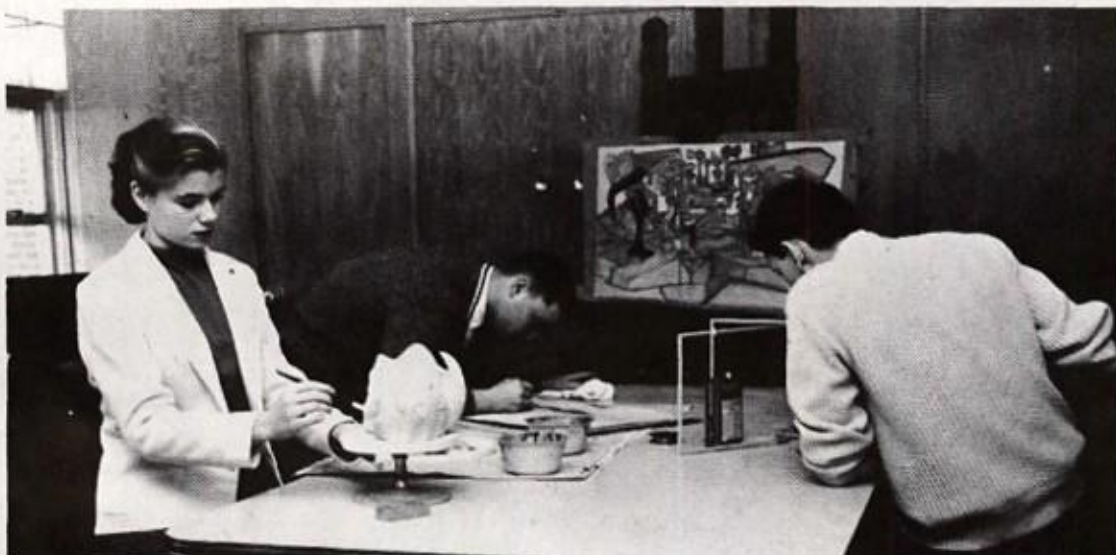

Who knows? Maybe one of our artists will be as famous as Picasso or Rembrandt.

*Maurice,
we sure
had a lot of
fun in
chairs.
I'll see you
next in your
club. Order
Best of Luck
to a nice
girl.*

ART • The Art Department's goals are 1) to develop within us an appreciation and understanding of art and its skills, 2) to encourage and aid Park's artists in developing their own talents.

A novice's tour through the Art Department can be one of extreme bewilderment.

That's it! Hold the pose! Along with drawings from life we sculpture, paint, and construct collages, mobiles, and mosaics.

This is math? Just one of the troublesome problems we learn to solve in accelerated mathematics.

MATHEMATICS • Geometry

• Algebra • Accelerated Math

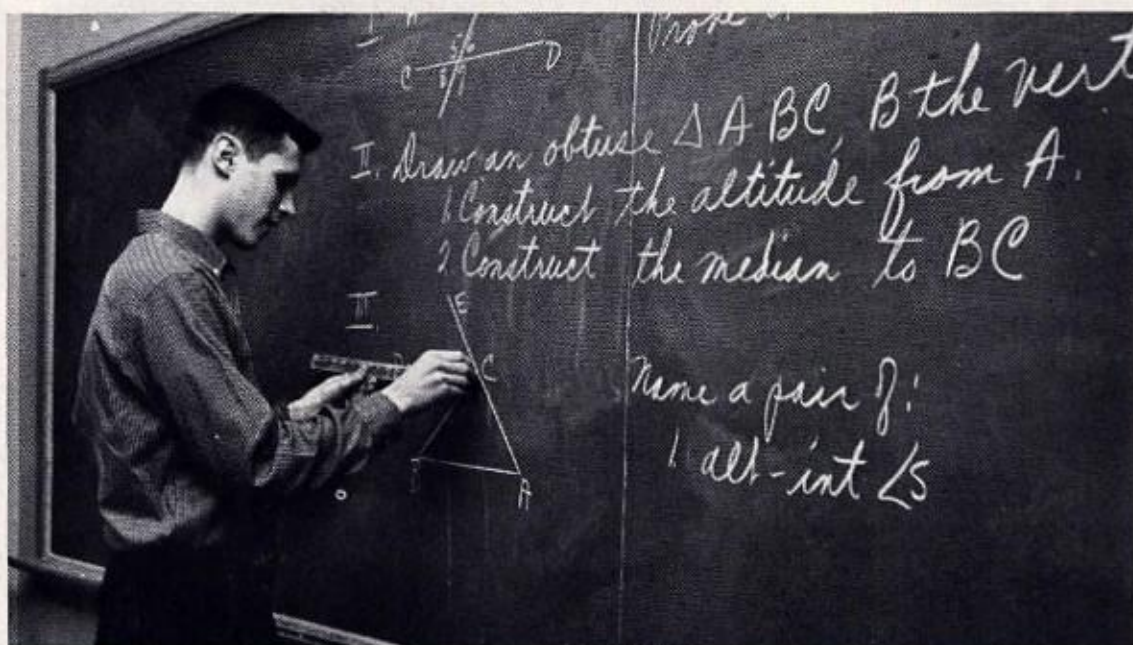

Park's Mathematics Department strives to create within us a greater knowledge of Math and an aptitude for more logical thinking. Also, for those students planning on a college education it provides a wide math background.

*no answer
your school work says*

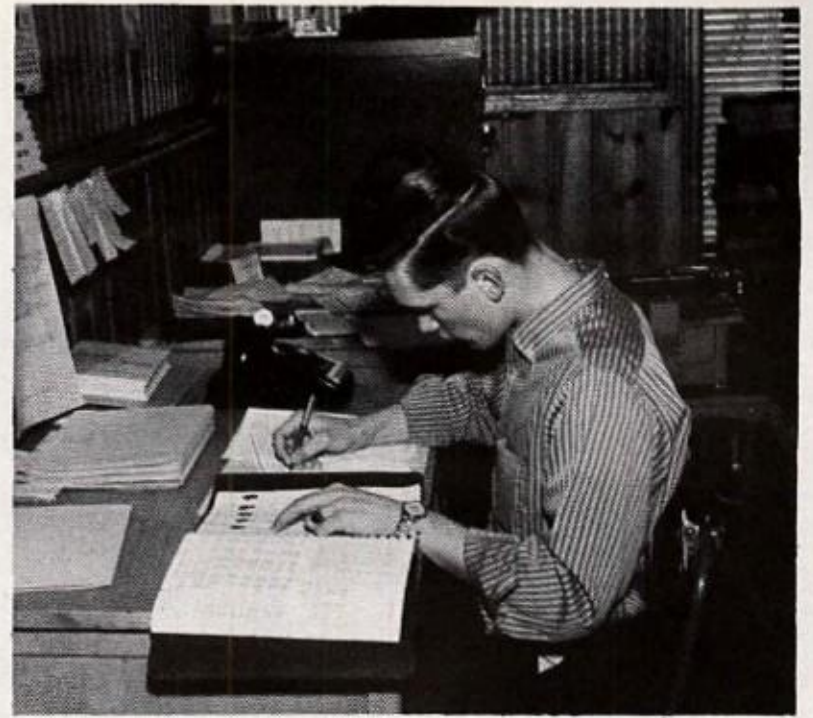

Math, like everything else, requires complete concentration.

Given: a course in plane geometry.
Prove: axioms, theorems, and postulates.

The skills acquired in business education classes will be used repeatedly by those of us going to college and those of us who are going directly to jobs after graduation.

BUSINESS EDUCATION

Occupational relations students profit through actual employment as a part of the course.

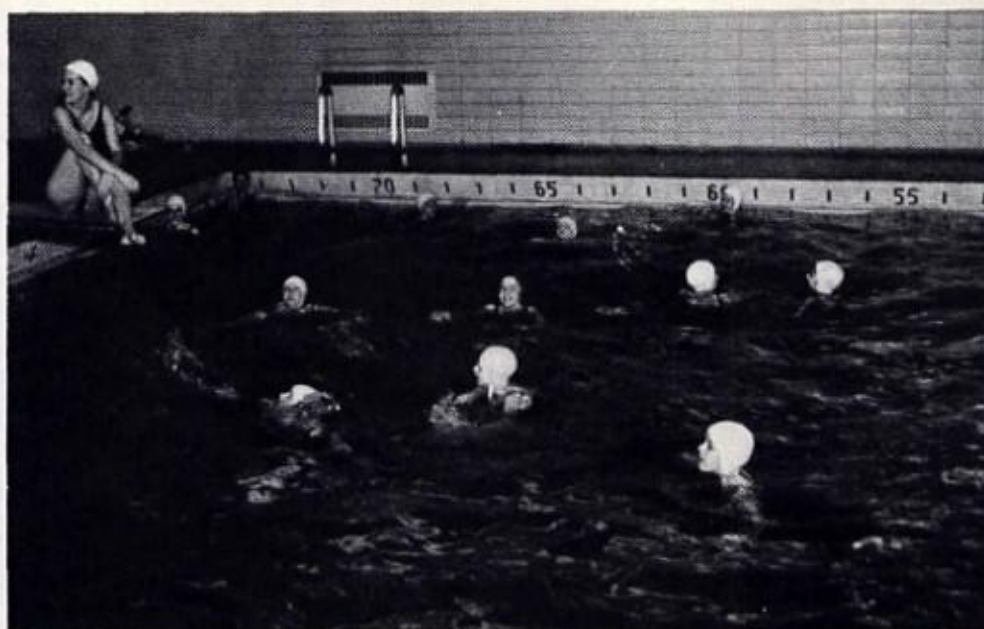

Keep your eye on the copy!

Here they are! The secretaries every rising executive dreams of.

Bearing in mind the importance of strong, healthy bodies, the physical education department has set up an excellent system of health lectures, swimming classes and intra-mural sports available to all.

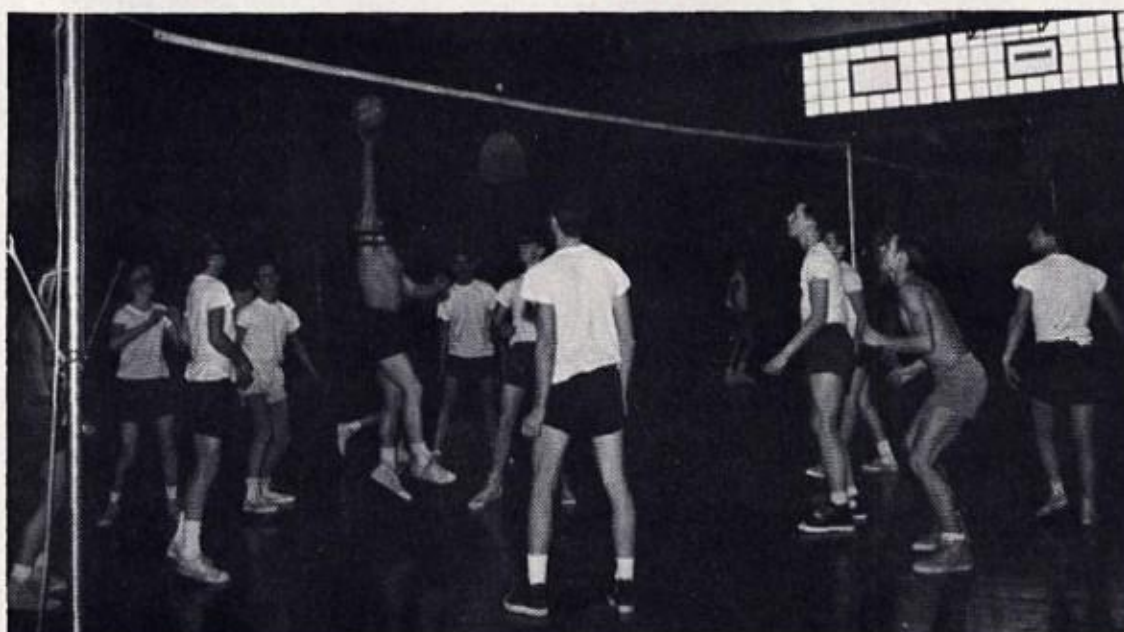

Take a cool, clear pool and fill it with these Park beauties and what have you? A course in girls' phy.ed.

PHYSICAL EDUCATION

Hmm . . . The photographer seems to have left something hanging here.

A fast game of volleyball is fun as well as good exercise.

Down rivers, over mountains, across plains, and through burning deserts world geographers travel around the world in 36 weeks.

SOCIAL SCIENCES

- American History
- World History
- Social Problems
- Humanities

The primary objectives of the Social Science Department are 1) to develop a knowledge of our present democracy and to make it a living ideal for future generations, 2) to promote an understanding of democratic ideas as applied to present day problems.

The new humanities class teaches us the philosophies of great minds of the past and their ideas on government, religion, and "love."

"... and furthermore, my candidate . . ." Republicans, Democrats, and Individualists alike give their views on candidates and issues in social problems classes.

Fresh looking frocks require constant attention at the ironing board while they are being created.

HOME ECONOMICS

• Sewing • Cooking

With the help of the Home Economics Department, Park's career girls and housewives of the future will be able to provide comfortable homes for themselves and their families.

"The way to a man's heart is through his stomach," . . . We're planning the attack!

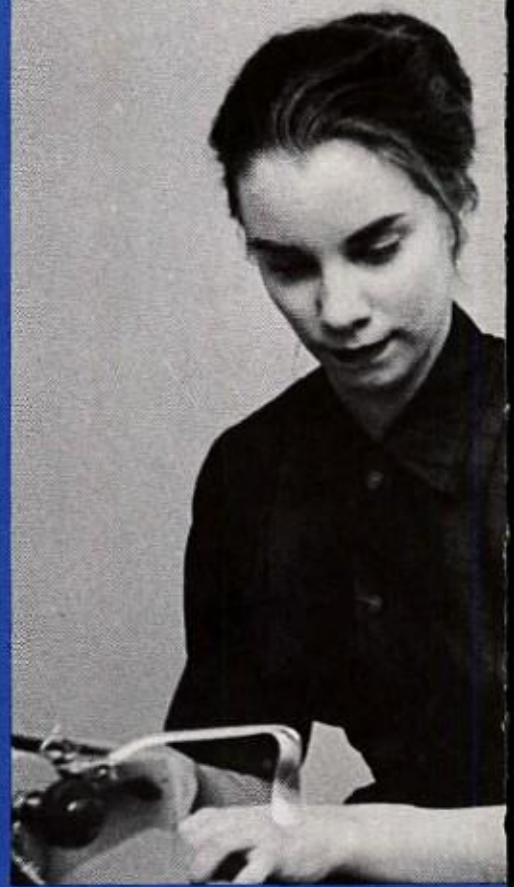

Too much salt? Not enough vanilla? We're judging the success of our latest recipes.

STUDENT COUNCIL

A new, more efficient Constitution was the starting point for Student Council activities this year. As well as defining Student Council powers more clearly, the Constitution also put into effect new ideas in student government.

Under the Constitution both the Student Council officers and representatives were elected in the spring. In order to be candidates for the Council, students presented petitions containing a certain number of signatures, and then they were elected by their classmates. The representatives were placed in the social science classrooms. This method of election assured that only those students who desired to work on student government were selected.

The Student Council officers found themselves with different powers. President Vernon Strand appointed all committees and their chairmen. Gordon Kaplan, vice president, wielded the gavel at Student Council meetings, formerly the president's job. Janet Renne took the minutes, distributing them to classrooms the day after meetings, and Bruce Stuebing kept finances up to date. Mr. George Olsen, advisor, contributed substantially to the success of the Council.

Shouldering some Student Council responsibilities were the many committees. Led by their chairmen, the committee members volunteered their time and services to carry out their duties. These duties ranged from punishing violators of the ethics

code and reuniting lost articles with their owners to providing entertaining student activities and promoting good relations with the faculty, new students, and visitors.

The major accomplishments of the Student Council included control of duties formerly performed by teachers. With the cooperation of the faculty, study halls were placed under student control, and the quiet atmosphere of these classes proved the success of the program under the leadership of Bruce Siewert and Murry Smith. Patrolling halls also was a student responsibility, supervised by Kurt Falkman.

Student directories were printed again this year. The freshman class was also included in the directories so that the books could be used two years in succession. The two bands jointly sponsored the sale of the directories, and they received the profits.

The colorful festivities of Homecoming were directed by Judy Lohse and Dave Nitz, co-chairmen. Their efforts produced an unforgettable day. In the spring "Operation X" added suspense to the school year as students wondered what project the Student Council had come up with. It turned out to be a rollicking carnival with fun for all.

Owing to a successful Constitution and enthusiastic members, the Student Council again presented a fine record of achievement in responsible student government.

The obstacle course was laid out as we, the 1959 Echowan staff, began our work. All of us including our advisor, Mr. Loegering, were "green" at the annual business, and so we prepared for our job by attending a journalism clinic at the University of Minnesota.

Led by our co-editors, Patti Hoban and Karen Lindborg, we first searched for a theme. We decided that our everlasting gift to Park would be an official seal, and the development of that seal would be the theme of the 1959 Echowan.

We were determined to make this Echowan the best ever. We added the academic and index sections, enlarging the book to 200 pages.

We tried to arouse early-bird interest in the yearbook by performing hilarious skits at the pep fests. We also introduced the seal on stickers. Little did the students know that the seal was more than just a money-making project!

November brought our subscription drive, and with the slogan, "Bigger 'n' Better," we set out to reach our goal of 1,000 subscriptions. The regular price was \$4.25, and an installment plan of two \$2.25 payments was also inaugurated.

The Echowan room became our favorite haunt as work began in earnest. There were times when we thought we'd never make our deadlines, but we passed them quickly with the assistance of David Bank Studio, the photographer, and Burt Hedstrom, American Yearbook representative. We vowed that we'd never be caught in the last minute rush, but like other staffs we raced to the point of collapse.

Having successfully conquered all obstacles facing a yearbook staff, we now proudly present the 1959 Echowan, a lasting record of one wonderful year at Park.

Worthy of the many honors it has received is the school paper, the St. Louis Park Echo. The highest standards of journalism were maintained once more under the leadership of Sue Bernstein, Avie Overbach, and Jane Erickson, with the advice of Mrs. Hazel Moffat.

In the fall the Echo received recognition for its fine news coverage when it was given the "All-American" award presented semi-annually by the National Scholastic Press Association to outstanding high school newspapers.

E's were seen everywhere during the subscription drive, to the joy of all Echo staff members. These E's were given to all students who subscribed to the paper, and their prevalence in the school proved the success of the drive.

The Echo joined with the Pep Club in giving two terrific dances after the football games. These were full of fun for all and full of profits for the newspaper.

The staff members were constantly learning as they worked. They attended the Minnesota High School Press Association journalism clinic last

spring. At this meeting Avie Overbach was elected secretary of the state organization for the year 1958-1959. The staff also attended the journalism clinic sponsored by the Minneapolis Star and Tribune.

Unlimited imagination was the resource for the April Fool issue. Clever writing led many students to believe that everything they read was the gospel truth!

The Echo was published bi-monthly. Few people except those passing the Echo room on press days even slightly realized the work that went into each issue. Almost immediately after one issue was published, assignments for the next one were given to the reporters. When these stories were completed, work on layout, copy, and headlines began.

Much exhausting work and energy has gone into the Echo this year. The Echo staff has tried to cover all school events as interestingly as possible, and they know that they have succeeded when they see the happy faces of students on every other Wednesday, Echo day.

GLEE CLUB

Beautiful melodies wafted into the school corridors as the Glee Club rehearsed daily. The guiding hand of "Mr. G" blended notes into fine music. Assisting him with the practical side of things were the officers — Kurt Falkman, president; Linda Johnson, vice president; Judy Griebenow, secretary; and Frank Miller, treasurer.

The annual Christmas concert on December 16 presented the voices of the Glee Club interpreting traditional holiday music. A shortened version of the same concert was produced for the student body. Feverish preparations took place for concerts per-

formed at the junior high school and the Rotary Club.

"We're off to see LaCrosse," sang the Glee Club members as they visited the Wisconsin city in May. They used all their talents to present a fine concert.

A spring evening is not complete without beautiful music, and May 22 was no exception. The music was the center of attention as the Glee Club held its annual Spring Concert.

Resonant voices echoed throughout the building for the last time this year as the Glee Club sang for Baccalaureate.

CONCERT BAND

A constant musical mood pervaded the Concert Band as it completed a pleasant round of appearances.

Two concerts for the student body were presented in November and February. Music numbers ranged from classical overtures to popular tunes.

A "first" and a successful attraction was a Pops Concert produced for the public in February. This was enjoyed by the performers as much as the audience.

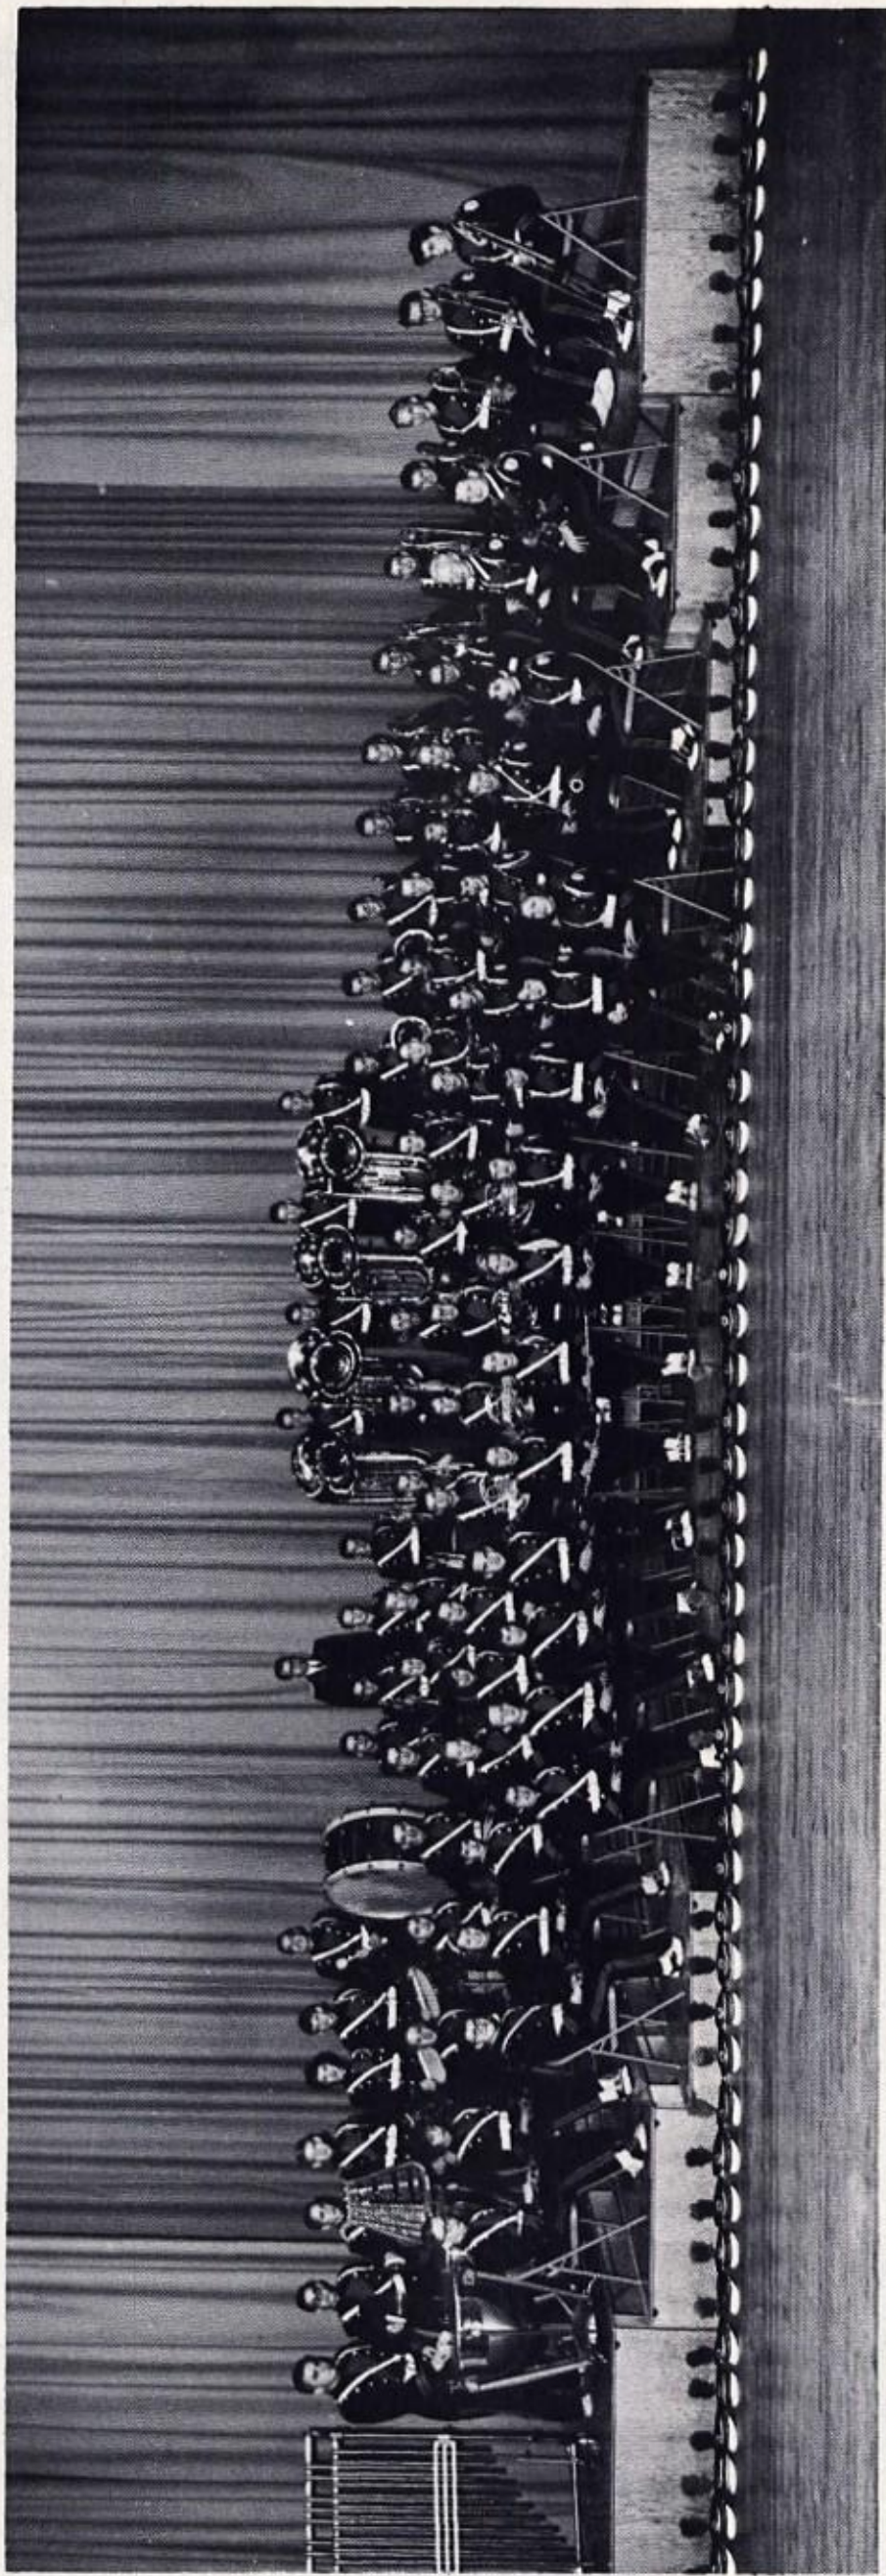

Solos and ensembles for the District and State Music Festivals were prepared throughout March and April.

The calendar reached May as the band members packed suitcases, instruments, sheet music, and themselves into buses to journey to Park Rapids for their annual out-of-town appearance. This trip was made possible by the sale of Christmas cards supervised by the officers—Alan Griffiths, president; Duane Nyman, vice president; Linda Mortensbak, secretary; and Julie Kjellwik, treasurer.

Costumed in pastel formals and dark suits, the Concert Band members closed another fine year with an enchanting hour of music in their Spring Concert.

VARSITY BAND

Playing the Park Loyalty Song was the major job of the Varsity Band as it performed at games and pep fests.

To the beat of rolling drums the band members marched onto the football field to present a fine halftime program featuring Park's talented majorettes. During the basketball season the Varsity Band accompanied the cheerleaders and Parkettes.

Concerts were also part of the band's yearly program. It took part in the Pops Concert and also performed for the student body.

Raising money for their trip to Iowa became a major project for band members under the leadership of their officers — Bruce Stuebing, president; Gary Ward, vice president; Pat Canton, secretary; and Mary Mayhew, treasurer. The necessary funds were obtained by conducting the sale of student directories, a Christmas card sale, and an after-game dance.

In the spring the dreamed-of trip was realized, and the annual Spring Concert was presented. The final appearance meant that the spirited sight of orange and black uniforms was not to be seen for another year.

CANTEEN

CO-CHAIRMEN

Tom Scott, Deanna Kunzelman

Perennial favorites with all Parkites were the three dramatic dances produced by a nucleus of juniors and seniors who comprised the Canteen.

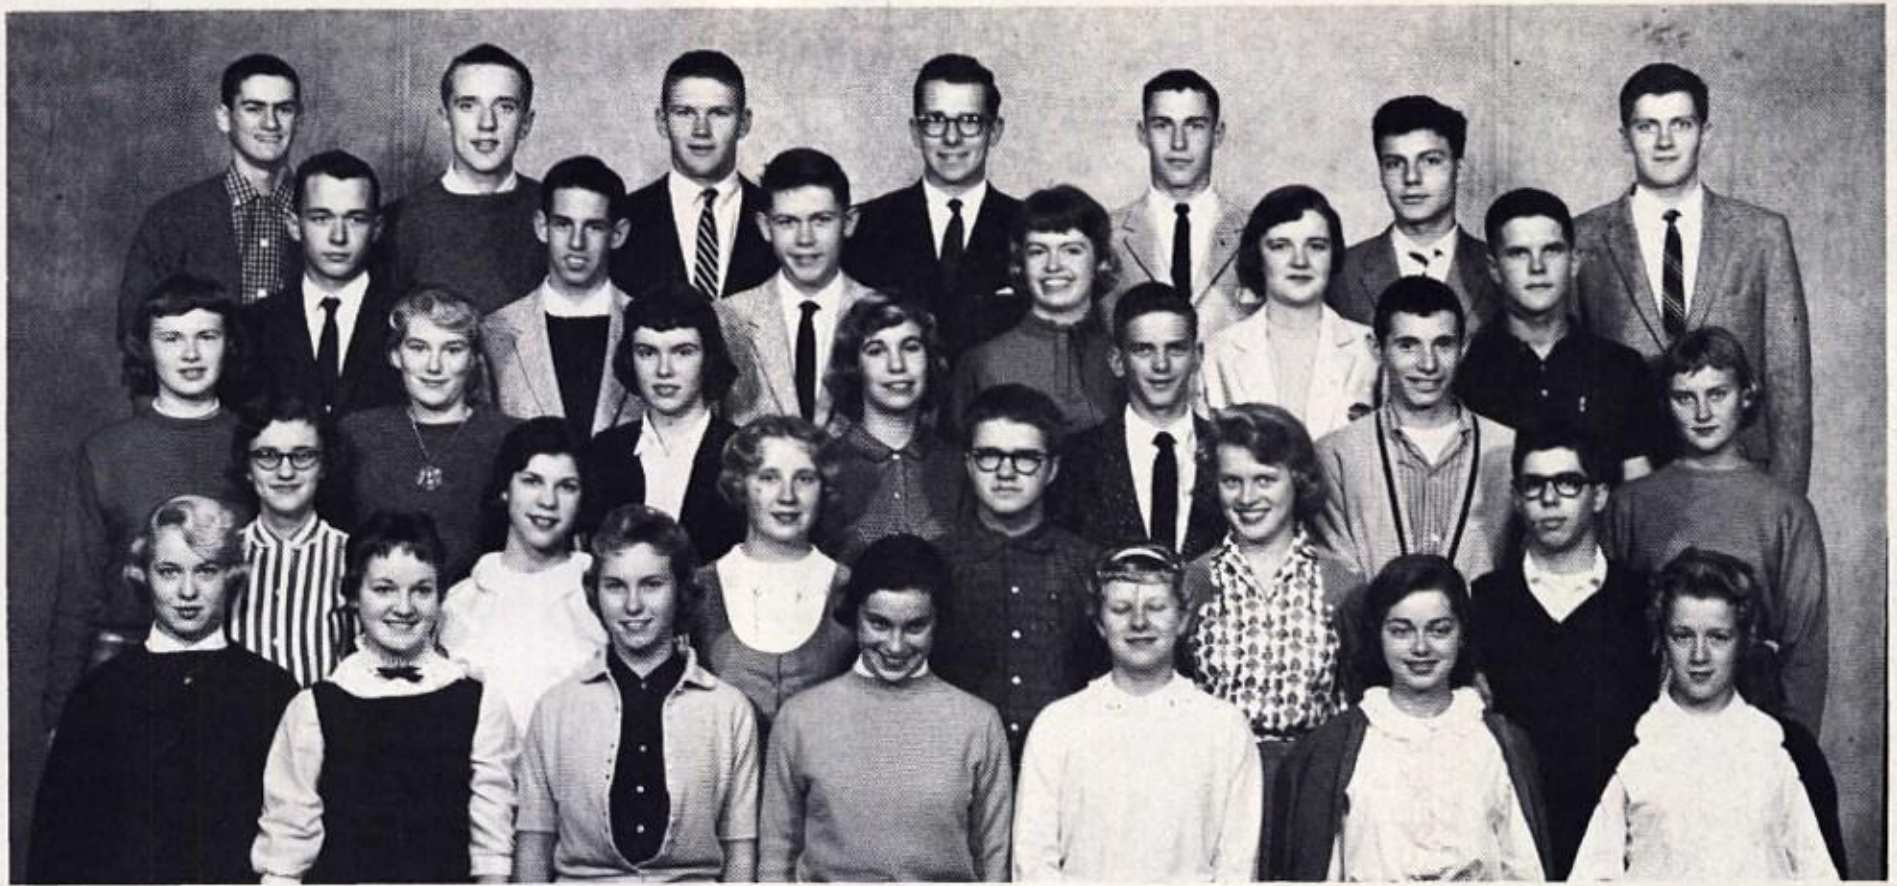

Sharing the trials and triumphs of leadership were Deanna Kunzelman and Tom Scott, co-chairmen. Karen Erdmann recorded the minutes, and Bruce Siewert kept the club out of debt. As social chairman, Linda Carlson arranged the dates for the dances. Mr. Dawson, counselor, served as consultant.

The holiday spirit provided the theme for the Christmas Ball on December 20. Gaily bedecked trees and greens filled the softly lighted cafeteria. Gals and guys became gliding silhouettes as they danced to the mellow tones of polished instruments.

The Anniversary Ball, fondly called the "A" Ball by Park students, was presented on March 7. Semi-formally dressed, couples smoothly moved to the familiar pop tunes played by a marvelous band.

Exotic off-beat rhythms intermingled with swaying palms to provide the setting for the Tropical on May 16. Freshmen were welcomed into senior activities at this turnabout dance. The spectacular climax included the selection of the freshman and senior high orchid queens and the announcement of the next year's Canteen co-chairmen.

The year whirled swiftly by, all too soon ending a most successful season for Canteen.

BLUE TRI

Striving to know and understand ourselves and others, what we do and why," has been the goal of the twenty-three chapters of Blue Tri this year. Leading the girls to achievement of this goal were their capable officers — Kay Aarness, president; Sandy Millar, vice president; Jill Johnson, secretary; Karen Swanson, treasurer; and Polly Jensen, I.C.C. representative.

The "Y Teens" swung into action with a membership meeting in September. The response was overwhelming, and it showed the girls' interest in the services Blue Tri performs.

In October the Recognition Service and Tea was held. For the first time the girls' mothers witnessed the candle-lighting ceremony that signified their daughters' entrance into Blue Tri. The all-school advisors, Carolyn Steel and Jean Zanka, the chapter advisors, and the all-school and chapter officers also lit candles, promising to carry out their duties.

Again this year service projects helped the girls in each chapter to realize their responsibilities to less fortunate people. Two chapters

shared a project, alternating visits once a month. The girls aided the nursing and rest homes by singing, reading, and planning treats for the holidays.

The crack of a shotgun sent the boys into hiding as the girls searched for dates to the Sadie Hawkins Dance. Typical Dogpatch attire was in order, and Marryin' Sam operated a very profitable business.

Adding a frontier touch was an old-fashioned Barn Dance in February. Whirling to the square dance music, everyone agreed that they were having the time of their lives.

Throughout the year the individual chapters held meetings. Often they had guest speakers. Picnics, potluck suppers, and weekends at Lyman Lodge completed their calendar.

The spring brought election of the next year's officers, and Blue Tri members realized somewhat sadly that the year was over. But the girls had fulfilled their goal, and they eagerly looked forward to another year.

HI-Y

Inspired to achieve even better things, Hi-Y members began their activities for another year. Wielding the gavel was Dave Shank, president; assisted by Tim Steinhelber, vice president; Neal Pratt, secretary; Barry Johnson, treasurer; Doug Benson, chaplain; and Mr. Griebenow, all-school advisor.

In October many new members were inducted into the program. Each one of these boys pledged to help in the attainment of the Hi-Y goals which are unfailing spirit for service, closer friendship, and expanding programs.

Service projects commenced early in the year. Rex was in charge of the first one, the Community Chest. The boys in the chapter went to various churches and clubs, and they tried to promote generous contributions from the public. Since the Community Chest Drive was well under way, the other chapters began plans for their respective projects. Dux had the March of Dimes, Novi supported the Heart Fund, Ortho took the Easter Seals, and Supero was in charge of Cerebral Palsy.

The all-school Hi-Y assisted at the Gray-Y induction on November 19. Another project in which all chapters participated was the World Service fund-raising drive for less fortunate boys. Hi-Y boys also helped to sell Christmas trees at various lots during December.

Dominating the winter scene were plans for Snow Day. Every chapter worked diligently to make this a day no one would ever forget. Snow Day took place at Camp Iduhapi, providing wonderful memories as well as fun.

The sight of braided and jeaned gals and booted and bearded guys was no surprise on Lumberjack Day. Sponsored by Adelphi, the day included a log-sawing contest, a beard-growing contest, and a rip-roaring dance.

The Best Girl Banquet where the boys' mothers were the guests brought the Hi-Y year to a close. Many past incidents were recalled, and warm memories were recollected. All Hi-Y members have the satisfaction of knowing that they have completed many jobs and have met their goals.

DIRECTORS

Proving that their acting abilities are par with their directing capacities as they rehearse for the "Operation X" melodrama are — Mr. Alwin, Miss Irgens, Mr. DeClercq.

This was the world of entertainment — the magic that carried everyone into another place for a few short hours. Sharing their ingenuity to produce a successful dramatic season were Mr. Jack Alwin, Mr. Roger DeClercq, and Miss Lee Ann Irgens.

Seniors played the parts in "The Matchmaker," a hilarious farce directed by Mr. Alwin and staged in October. Horace Vandergelder, a wealthy merchant, enlisted the aid of Dolly Levi to find him a wife. Dolly had already picked the perfect mate for him — herself. Her efforts to convince him of this were complicated by the "adventure" of his two simple clerks and the elopement plans of his niece. All this led to a merry mixup which was eventually untangled to provide a happy ending.

"V-V-V-Voom!" was a Park "first" under the joint direction of Mr. Alwin and Mr. DeClercq. This old-time variety show took the place of the all-school play in December. Bruce Stuebing was the master of ceremonies, introducing the acts which included laugh-provoking skits, fabulous dance numbers, and comical operettas. The enthusiastic reception of "V-V-V-Voom!" gave promise of a new Park tradition.

The Class of 1960 took possession of the stage in February to present "Liliom," directed by Miss Lee Ann Irgens. It concerned Liliom, a circus barker, who found work in Mrs. Muskat's carousel and love in Julie, a servant girl. Liliom's financial need tempted him to participate in an unsuccessful highway robbery, and he committed suicide. He was tried by the Magistrate's court on high, and after serving his sentence, he was allowed to visit Julie on earth.

The comedy found in the world of the teenager was the basis for "Spring Green." Mr. Alwin undertook the direction of this first sophomore class play pre-

sented in March. Newton Todd, a shy teenager, created problems for himself because of his hobby of breeding earthworms. He was expelled from school and scorned by his acquaintances. But from the moment Eula Hotchkiss, a lovely teenage girl, entered the picture, Newton thought of nothing but her — and, of course, his earthworms.

The Contest One Act play consisted of a sequence from last year's production of "King Lear." The tragedy in its entirety was presented at the Shakespeare Festival in St. Cloud last summer. The chosen scene was filled with tension between King Lear and his two wicked daughters Goneril and Regan.

A fitting climax for the year was the spectacular spring production of "A Midsummer Night's Dream." This delightful fantasy was enlivened with dance and song as well as fine acting, all expertly directed by Mr. DeClercq. The plot concerned a quarrel between Titania and Oberon, the queen and king of the fairies, and how it affected the mixed-up love affairs of four Athenians. Hermia and Lysander planned to elope, but they were hindered by Demetrius, who loved Hermia. Helena, filled with hopeless love for Demetrius, followed the three into the forest. Meanwhile Oberon enlisted the aid of Puck in delivering a potion to Titania which would make her fall in love with the first person she saw — a simpleton. This love potion was also administered to the four lovers sleeping in the forest. However, Puck confused their identities, and the result was that the two men both fell in love with Helena. Eventually the mistake was corrected, and the two pairs of lovers, Hermia and Lysander, Helena and Demetrius, were happily united.

Yes, this was the world of entertainment — and what a wonderful, enchanting world it was!

YOUTH CONFERENCE

"The Teen-Age Driver" was the subject for discussion on November fourth when St. Louis Park presented the 1958 Youth Conference.

Led by Elizabeth Erickson, a student committee planned the conference. Their enthusiasm for the project was transferred to 150 students who applied to attend. Representatives from the Lake Conference schools were also present to voice their opinions.

The conference agenda began with a keynote address by Forst Lowery, manager of the Greater

Minneapolis Safety Council. Then the delegates gathered in groups titled after makes of cars to informally discuss topics related to teen-age driving.

A lighter note was added during the recreation period when all the delegates "hooped" it up with hula-hoops.

Climaxing an eventful afternoon was the banquet where the discussions were summarized. The workable ideas which were produced proved the value of the 1958 Youth Conference.

"I've made many speeches, but they've never been called keynote addresses."

Park opened the 1958 football season at Park by whipping Hopkins 13-6 as Jerry Jones scored two touchdowns and added an extra point.

The Orioles then overpowered a spirited Bloomington eleven by a score of 31-20, as Coach Hoberg's gridders displayed a well balanced attack.

The Orange and Black met their first real test of the season with flying colors, as they handed Richfield their first conference defeat of the season by a 27-19 count. Don Bell raced 80 yards to paydirt with a Trojan kickoff.

Park put down a determined Edina bid and went on to win 14-7, breaking a seven year jinx by the arch rival Hornets.

Minneapolis Central temporarily halted the high

flying Orioles, then ninth ranking in the state, by a score of 25-0.

"Park scalped as Mohawks yelped" when a last minute touchdown tumbled courageous Mound 7-0.

Parker captain Jerry Jones scored 22 points to set a new seasonal conference scoring record, as we rolled over Wayzata 28-13.

The Mighty Orioles fought to a 6-0 halftime lead due to an 87 yard scoring jaunt by Jones, before falling to State Champions Robbinsdale 20-6 for their first conference defeat of the season.

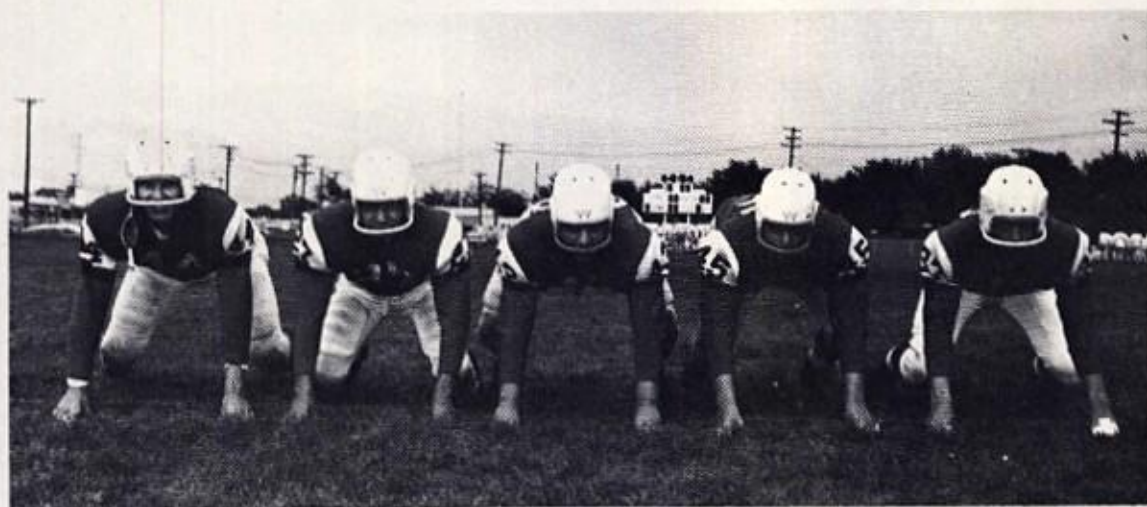

In the 1958 finale Park was held to a second place tie with Minnetonka, as four last half Skipper touchdowns dropped the valiant Orioles 39-27, despite the efforts of Jerry Jones, Don Bell, and Wayne Deutcher.

The 1958 football season was one of the most successful in the recent history of St. Louis Park. The team, under the able guidance of Dwaine Hoberg, was a strong contender for the Lake Conference title throughout the season and wasn't eliminated until the last game. Largely due to the running of Jerry Jones, Don Bell, Doug Lowry, and Wayne Deutcher, along with some very capable line play, the Orioles remained undefeated through their first six conference games, ranking as high as ninth in the state. Jones was acclaimed a standout tailback, while breaking the previous Lake Con-

ference scoring record by 14 points with a total of 101. At the close of the season Al Griffiths and Jerry Jones received the honor of being picked by the Lake Conference coaches as all-conference players. Jones also was chosen by the Star and Tribune as an all-conference defensive back. Later he was picked for the all-state team, while Harlan Goodman and Al Griffiths received honorable mention. The regulars received a lot of support from the reserves, most of whom were underclassmen, who give the team a high outlook for 1959.

Desire—This is the one word that describes the harrier squad this year. Although marred heavily by graduation losses, the team sprinted to second place in Mankato, fourth in the Swain Invitational, and second in the district meet. Consistent leaders all season long were veterans Joe Patterson, Mike Gorson, Doug Laird, and newcomers John Jaglo, John Leebens, and freshman Chuck Patterson. The only member of the squad who will be lost from next year's team by graduation will be Joe Patterson. Generally speaking, this was a rebuilding year for the Cross Country team, which is under the able guidance of Mr. Grijak and Mr. Torp. The outlook for the coming 1959 season is very bright and all indications point to a very successful season. This will be largely due to the efforts of Wayne Kniggie, Tom Langen, Wally Halvac, Mark Zanna and Howard Winer who have all shown promise, and along with the other returning lettermen from the past season should work together to continue Park's Prowess as a state power.

Row 2: J. Sachs, D. Benson, S. Pascoe, N. Berthe, R. Johnson, L. Sewall, V. Strand, B. Siewert, Mr. Holm.

Lloyd Holm, coach of the 1959 Orioles, turned out one of the most balanced teams Park has had in many years. Composed mostly of seniors, anyone of the team's starting five was capable of hitting double figures on any given night. Vern Strand was the scoring leader despite his absence from several games due to mononucleosis, and finished sixth in the Lake Conference scoring race. Al Druskin, Steve Pascoe, Bruce Siewert and Neil Berthe rounded out the starters.

Assisted by the "Chinese Bandits" the team soared to a second place finish, one game behind the champion Minnetonka Skippers. They began the season with seven straight conference victories before absorbing a heartbreaking last-second defeat at the hands of Minnetonka, 57-56. Bouncing back, the Orioles won six of their last eight games, climaxing the season with a resounding 81-48 victory over the Skippers. Park finished the season as the top offen-

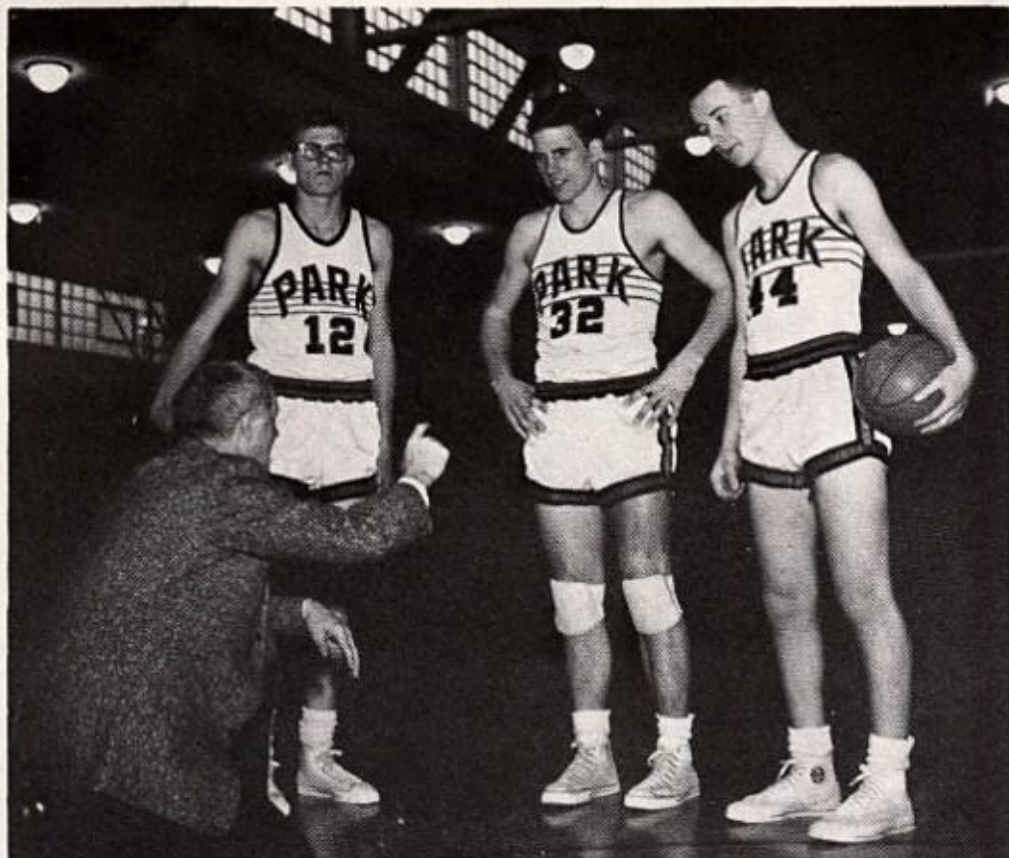

sive and defensive team, racking up a total of 1,013 points, which is not surprising, considering the fact that the team seldom, if ever, shot below forty per cent!

Because of their second place finish, Coach Holm's boys were seeded directly into the District 18 tournament. Park convincingly downed Mound and Robbinsdale in their first two tournament matches before succumbing to a spirited Wayzata attack in the district finals.

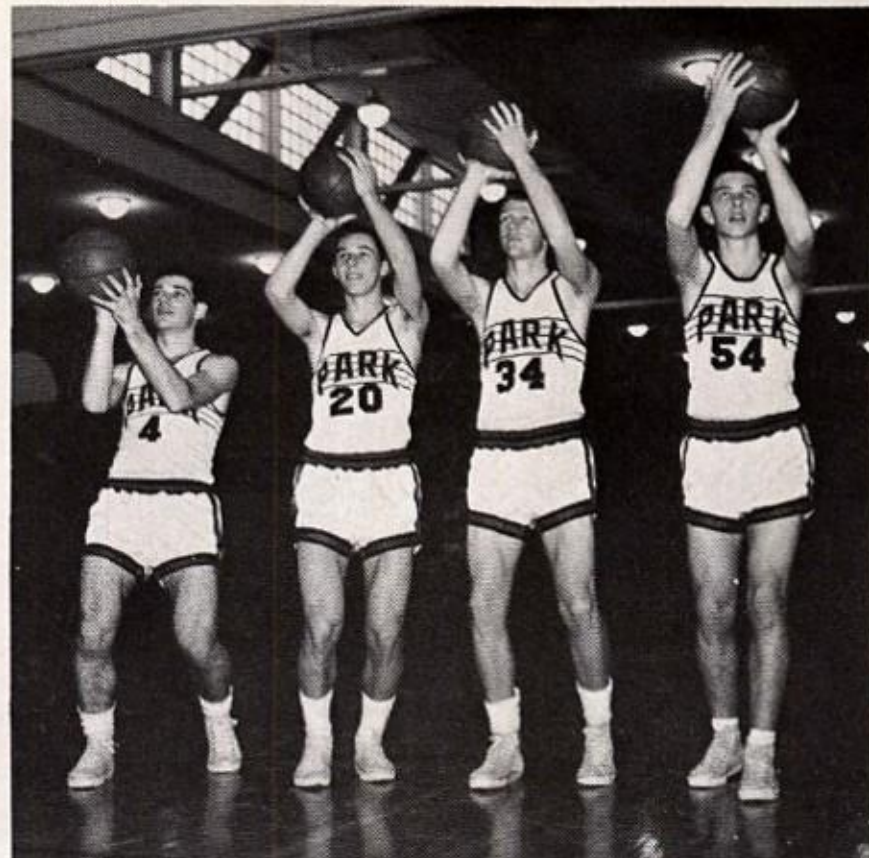

All in all, it was a successful season. Vern Strand and Bruce Siewert were named to the All-conference team. with Al Druskin, junior, gaining an honorable mention. Later these same three were awarded All-district honors.

The final 15 win, 4 loss record stands out as a tribute to the fine coaching and training done by Mr. Holm.

The 1958-59 hockey team completed a successful "rebuilding" season under the direction of Coach Pete Zanna. While expectedly not as highly regarded as Park's 1958 state tournament participants, the game Orioles fought to a fourth place finish in the Lake Conference. Coach Zanna's boys started out the season with five straight victories.

However, the lack of depth and a number of in-

juries proved to be the mid-season downfall for the "never-say-die" Orioles. The team bounded back after four defeats in a row, to win four of their last five games. Losing only to the Lake champions, Minnetonka, they included a 3-1 win over the eventual state tournament entry, Robbinsdale. The ice men climaxed the season with a heart-breaking sub-district playoff loss to the Robins, 2-0.

The 1959 "B" Squad coached by Mr. Langen, skated to a successful 10 win, 2 loss, 2 tied record. The first line, consisting of Tom Langen, Phil Reith, and Jon Chrest, slapped in 32 goals. Tom and Phil led the individual scoring. Denny Tuthill and Pat Rafferty did an outstanding job of tending the nets, as defensemen. Dave Gay, Bruce Bausman and Bill

Roscoe should help the A squad in the near future. The remaining lines were made up of Mike Jarosak, Gary Amluxsen, Ed Peterson, Doug Laird, Denny McGraw, and Mark Brothen. The fact that the team included a large number of freshmen and sophomores indicates strong Park hockey teams in the future.

THIRD LINE: W. Game, R. Johnson, B. Bitzer.

SWIMMING

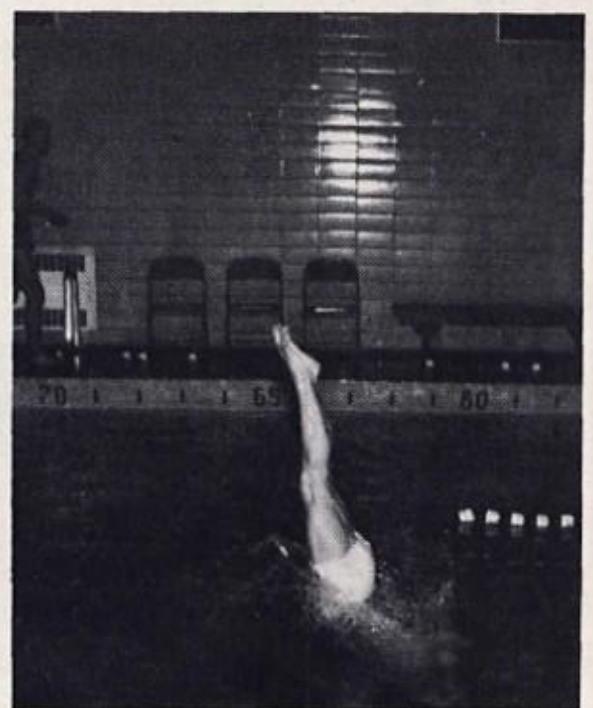

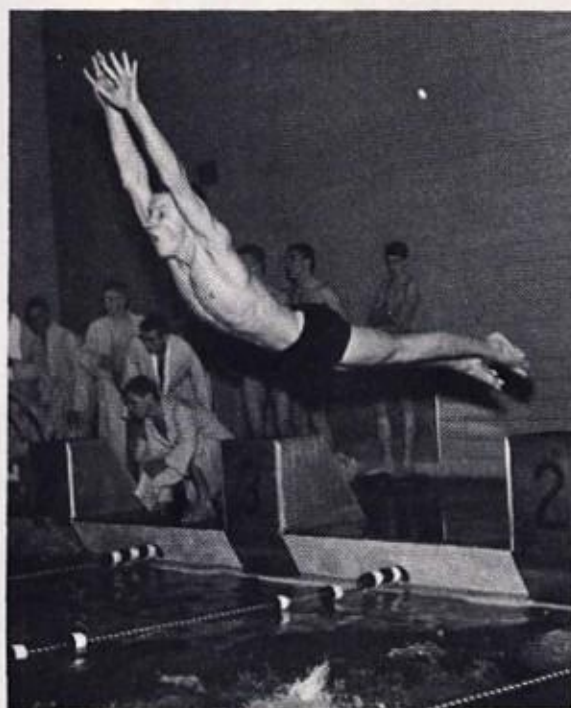

Swimming under the skilled hands of coach Dick Wainio, the tankers flourished to a final third place in the state. The team was led by seniors Fleming, Quade, Tilman, Waataja, Turton, Seagren, Dypwick, Olson, Peterson, Carlson, and Emerson. Backed up by many juniors, sophomores, and freshmen, they went on to a 12 win, 2 loss season. The only defeats came from Rochester and Hibbing, who finished first and second in the state, respectively.

The Orioles opened the season by swamping Stillwater 74-12, and then fell to Rochester in a close one of 46-40. After the holidays, the Parkers came back to sink Edina 55-40, to dominate the Austin Relays with six first places out of seven, and to stop Hopkins 55-40. After absorbing a 58-39 trouncing from Hibbing, the team went on to win all eight remaining dual meets.

At the end of the season the Orioles, led by Waataja, Quade, Tilman, Fleming, and Seagren, splashed

to the District 18 crown by amassing a total of 116 points. The following week Park took third place in the state behind always-powerful Rochester and a tough Hibbing squad that "touched out" Park by one point. Placing for Park were Fleming in the diving, Seagren in the 400- and 200-yard freestyle, Turton in the 50-yard freestyle, Waataja in the 100-yard backstroke, the medley relay team of Waataja, Tilman, Palmer, and Quade, the freestyle team of Teter, Olson, Dypwick, and Turton. Quade took first in the 200-yard freestyle, setting a new state mark of 2:00.

Despite the loss of many outstanding seniors, the 1959-60 swimmers, led by Hunziker, Palmer, Fowler, Klinge, and many other underclassmen, will be ready, willing, and able to pick up where this year's team left off.

BASEBALL

Coach Vern Winter's baseball squad is again looking forward to another successful season. Picked "the team most likely to succeed" in a pre-season poll by Lake Conference experts, the "talented nine" look as though they are destined to do just that.

The Orioles finished last season with a very respectable 8-3 record in conference play and were runner-up to champion Richfield. Led by seven returning lettermen, this year's team is expected to do even better. Reason for much of this optimism comes from the fact that this year's team gained a

lot of experience and valuable tips from last year's close race.

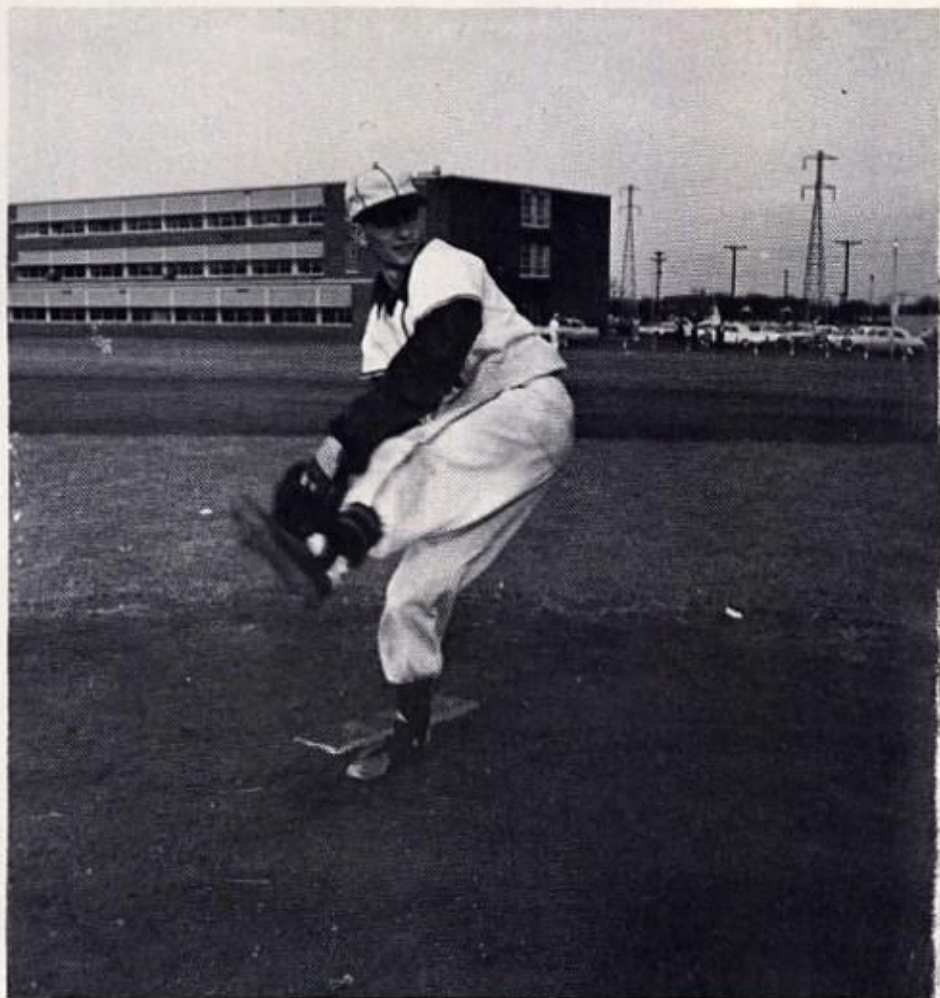

Top hurlers will be Captain Neil Berthe and Roger Davis, both of whom fronted last year's title bid. Pat Kirby will be behind the plate. In the infield, first base will most likely be held down by Al Druskin and Bill Johnson will be on second. Denny Dougherty will probably handle the "hot corner" while Ken Rasmussen receives the position of short-stop. In the outfield should be Steve Pascoe, Perry Wright and Tim Steinhelber.

St. Louis Park's splendid athletic system was again shown in its 1959 track team.

The Oriole coaching staff, made up of Roy Griak and Bill Torp, did their annual outstanding job of turning out another fine squad.

The trackmen chose seniors Lynn Mattis and Jim Kumpula as co-captains for the competitive season. Both boys displayed outstanding leadership ability during the season, and more than proved themselves worthy of the honor.

Although the Orioles lost fine performers when Art Patterson, Bob Oas, Rod Lazorik and Tim Kiernen were graduated last June, this year's squad had many top-notch athletes to furnish a strong foundation.

senior Joe Patterson and juniors Doug Laird, Harvey Korbelt and Jack Jaglo, capably handled the mile and half-mile chores. They also received help from the junior high school in the person of Chuck Patterson, Joe's freshman brother.

The job of participating in the high and low hurdles was handled by junior Randy Williams.

Park was loaded in the sprinting events with Lynn Mattis, Jim Kumpula, and junior speedsters Ed Gale and Doug Lowry.

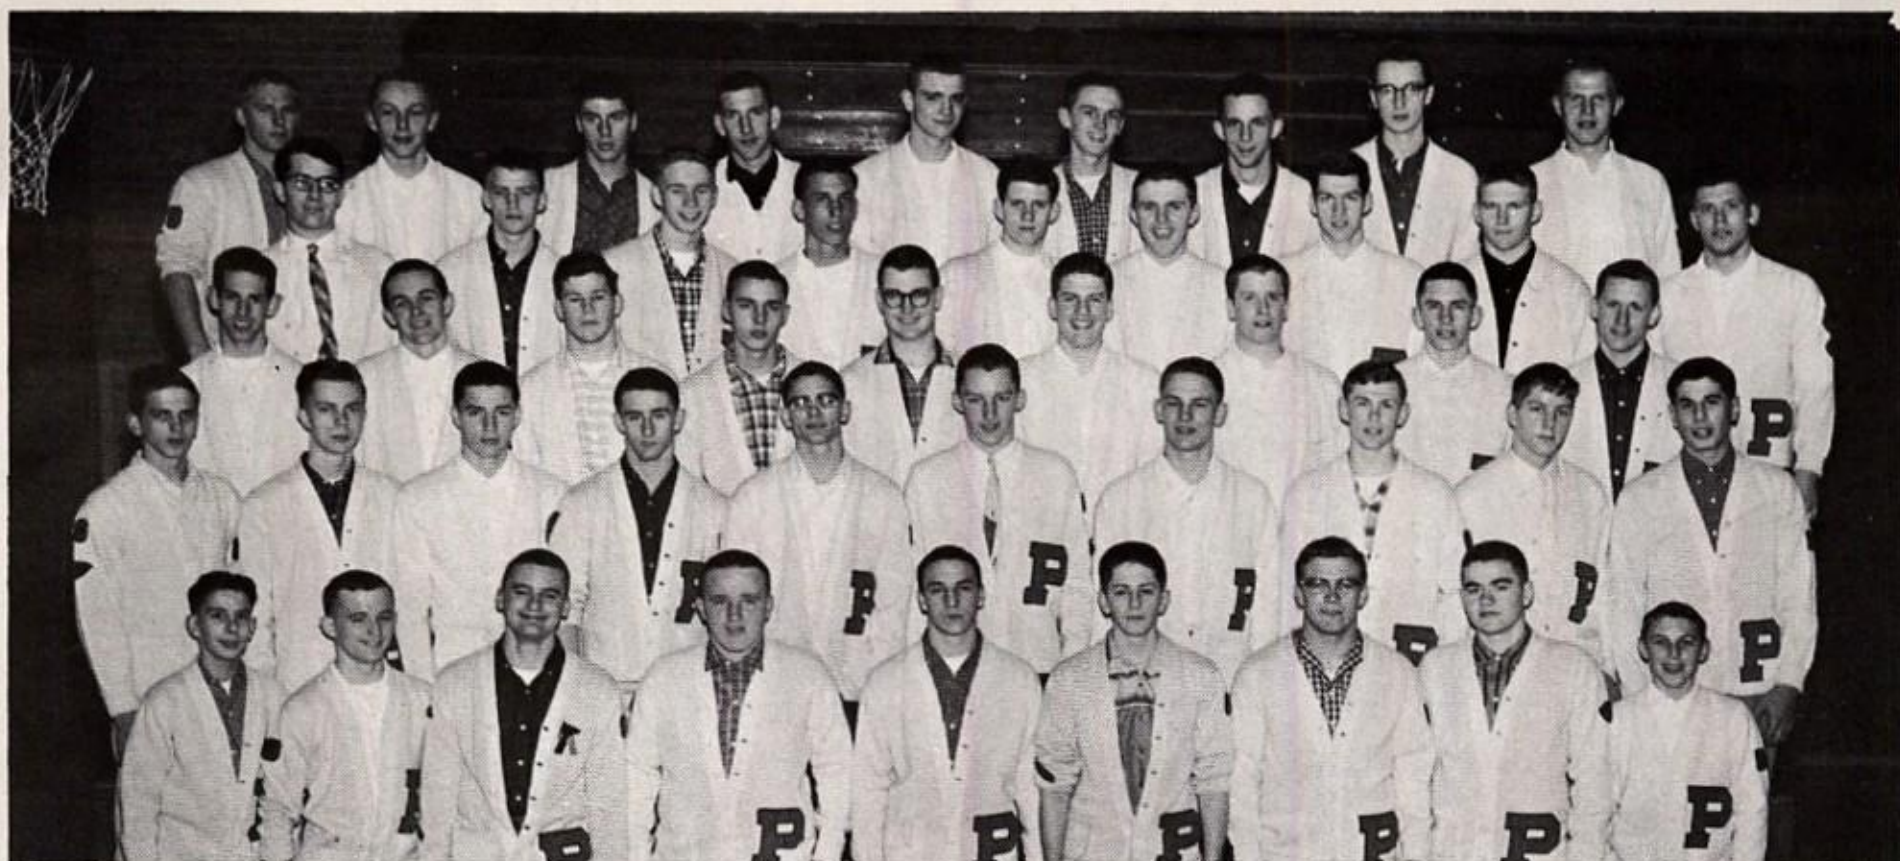

The field events were taken care of by Neal Pratt and Bob Wataaja, seniors, in the pole vault, sophomore Gary Sandford in the high jump, and shot-putters Gary Carlson and Jerry Jones, seniors, along with junior Howard Shapiro and sophomore Jim Krake. Versatile Doug Lowry put his talents to good use in the broad jump.

ST. LOUIS PARK ATHLETIC PROGRAM

Athletes of Park High, like those of most communities in Minnesota, are the results of a school athletic program, city recreation, and various independent agencies that offer athletic programs in the city. In the Park all sports are coordinated in a program backed by the efforts of various groups.

Athletics begin in fourth grade with a thorough schedule of physical education. Football, volleyball, soccer, baseball, tumbling and track are included. Forty per cent of the schedule is for low organized and team games, 23% rhythm, 17% relay, 14% stunts, and six per cent testing. Fifth and sixth grades are slightly different with more time used for

rhythm and tumbling. These events are planned, with the exception of football, for boys and girls. In the track events it is interesting to note that the girls are predominant.

Athletes begin to take part in inter-school competition at the junior high in Park. Areas of competition include football, cross country, track, golf, swimming, hockey, baseball, and tennis. Because of differences in promotion by other agencies the patterns vary from sport to sport.

Greater attention is given to individual participants as they enter the varsity program of the senior high. From this setup the athletes and lettermen of Park

Zumberge, K. Johnson, J. Kumpula, R. Sharp, R. Williams, H. Shapiro, B. Siewert.

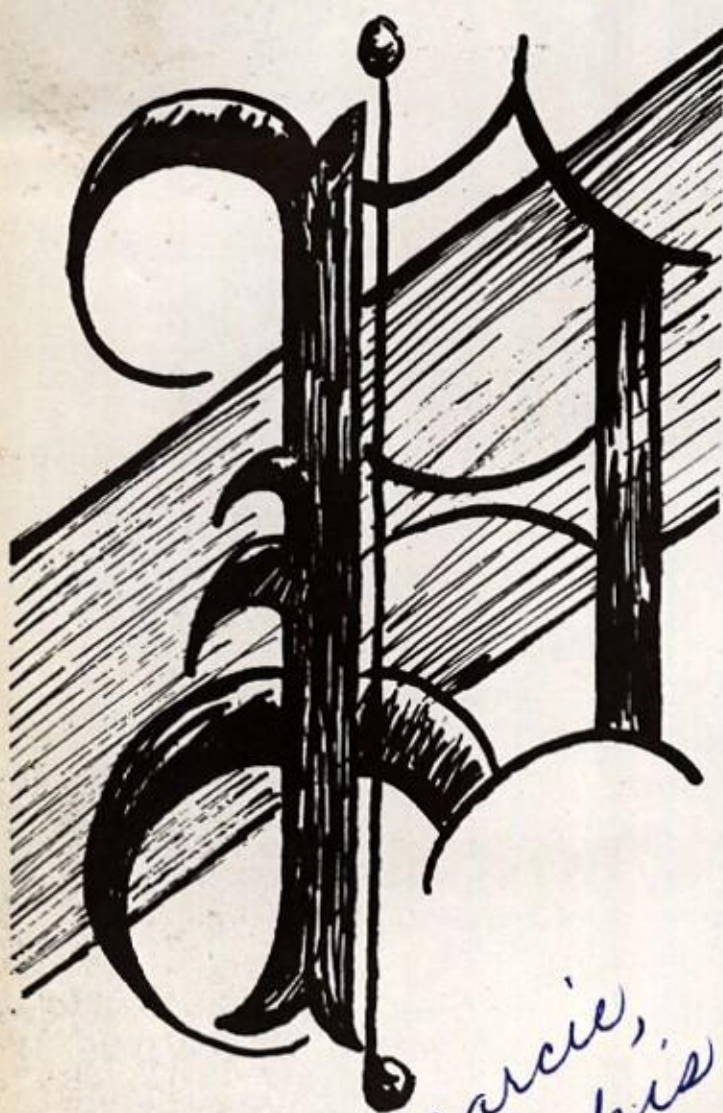

High develop their skill to a high degree of proficiency.

One of the most important factors in developing athletes is the coaching staff. In charge of football are (by grades) Hollace Sandholm—7, Robert Sjos-trum—8, Wayne Sundberg and Gerald Krueger—9, Peter Zanna and Jerry Richie—B squad, and on the varsity staff: Duane Hoberg, Clifford Bomback, and Lyle Hanks. Roy Griak is head of cross country with William Torp as his assistant. The basketball mentors are as follows: Duane Hoberg—7, Clifford Bomback—8, Vern Winter—9, and Roy Griak—B squad. Lloyd Holm coaches the varsity team and Roy Griak assists him. Larry Langen heads B squad

hockey, and Peter Zanna takes charge of the varsity team. Gerald Krueger and Clifford Bomback head junior high track. Roy Griak and William Torp coach varsity track. Baseball is led by Robert Sjos-trum in grades nine and 10 while Vern Winter di-rects varsity baseball. Roger Thompson heads the tennis team and Wayne Sundberg heads the golf squad, both in grades nine through twelve.

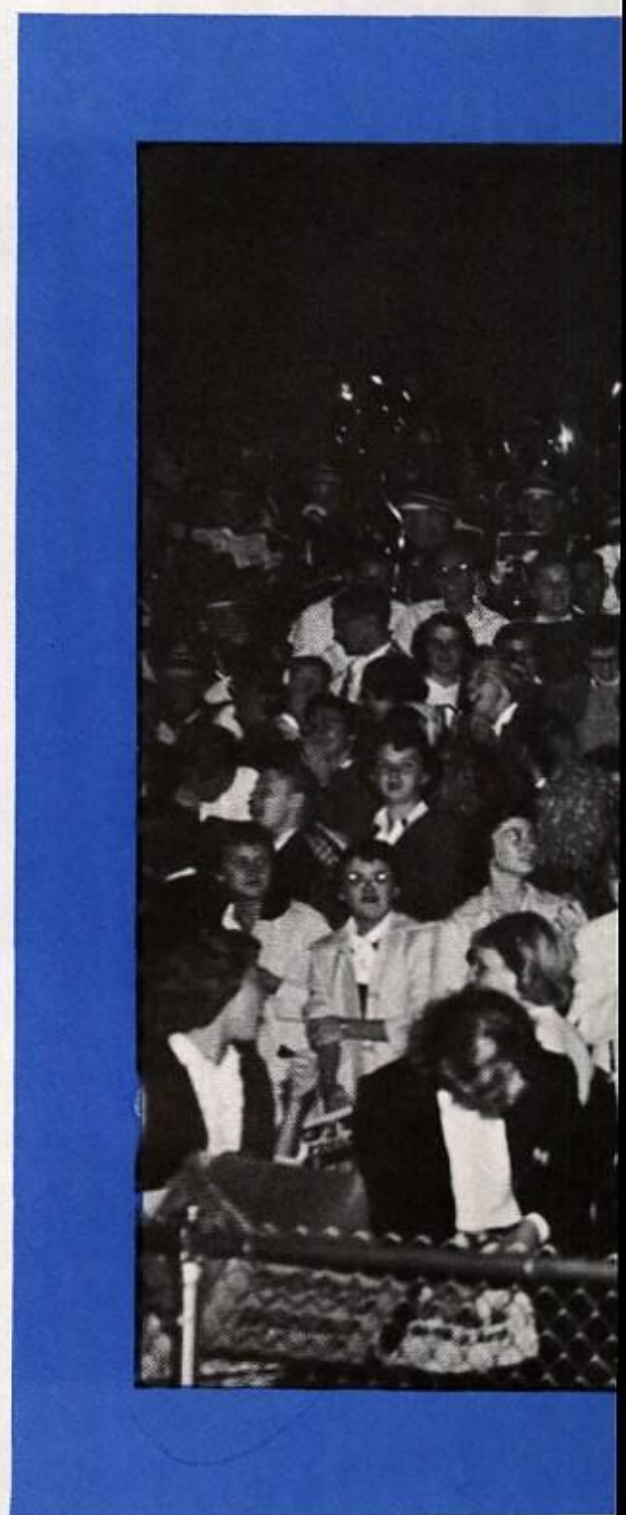

At all levels of coaching, seven through twelve, St. Louis Park has an excellent staff of men who also were great athletes in their respective high schools and colleges. They have certainly produced some great athletes here at Park.

Slippery ice provides a ready challenge for Park's capable cheerleaders. Flying pucks and broken hockey sticks are true symbols of our hockey team in action. Razor sharp blades are a necessity to Park's fast skaters. Dear Marcie.

I've been wanting to sign your book for about a week now and during this time I've thought of a small poem that will express the way I really feel, so here it goes:

Two more years and then we'll part,
But you will always be in my heart,
Your wonderful smile, your
wonderful taste,
To let us know you can't be
replaced.

As you can see, I will never get a prize for my poetry. It sure was fun the night we went out to the H. A. H. Club. I'm sure we'll have fun next year, both in Glee Club. & are fun this year.

get out of this rotten spirit - or said at not feeling so many

As we, the members of the Senior class of 1961, look back over the past year, we find that the many adventures and experiences we have had will never be forgotten. Our class officers, Margo Morris, Ron Trugman, Judy Lear, and Georgia Matsumoto, skillfully led us through a year full of new ventures.

As soon as we became used to the new school, we were surrounded by the Homecoming festivities and our first Senior High dance, the Fall Fantasy. We proudly helped the school teams on to victory as we were finally able to cheer, "the Sophomores say we're going to win."

Before we knew it, we were helping our "needy families" celebrate Christmas and making big plans for our first formal, the Christmas Ball, which proved to be a breathtaking experience. Coming back from vacation, we bravely ventured the Mantoux tests and first semester finals. Already half the year was over!

The pep week, "Soopersilledgical," which we sponsored during a February spirit slump, provided a morale boost to the student body. The first sophomore class play, "Spring Green," provided an outlet for our acting and working energy.

Suddenly we were confronted with the task of electing our class officers and student council officers for next year. As we did this, we realized that our sophomore year was almost to a close, a year full of fun, hard work, and wonderful experiences.

"Watch out! Don't let it fall!"

"One of our gains - the Junior boys."

Love - Jo

Class officers: Roger Wicklander, president; Alan Druskin, vice president; Susan Andresen, secretary; Bill Johnson, treasurer.

THE CLASS OF '60

"A year never to be forgotten." Yes, this was our Junior year. Led by the class officers, Roger Wicklander, Al Druskin, Sue Andresen, and Bill Johnson, and directed by our class advisors, we succeeded in having a tremendous year. After the initial excitement of beginning the new year began to wear off, we settled down to work on our first project, the Homecoming Dance, October 10. Dancing in a realm of autumn splendor, we realized that this first attempt was a success.

The week before Christmas we found that it was impossible to study as we anticipated the highlight of the year, the Christmas Ball, and received our long expected class rings, our pride and joy.

Spring began with the preparation for "Lilliom," our first dramatic production. We saw our long hours of work finally rewarded when the curtain rose on opening night.

Soon we began the task of choosing the many students who will hold the important positions for the Senior class of '60. The U.N. Pilgrimage, Girls' and Boys' State, and AFS representatives were chosen; Canteen co-chairmen and Echo and Echowan editors were disclosed; and the Student Council and class officers were elected.

As we ushered at the Baccalaureate Service for the graduating Seniors, we realized that our Junior year was at an end, but that soon we would be the leaders of the school in our final year at Park.

"I need my World History book, too."

"Can't you reach a little farther?"

"This size fits!"

Myrleen Ono
April 7, 1942 - Oct. 1, 1958

The junior class of 1959 will never forget Myrleen Ono. The pep which she displayed as a B squad cheerleader carried over into her everyday activities. She was never without that cheerful smile and bubbling enthusiasm which made her one of the best liked girls of the junior class.

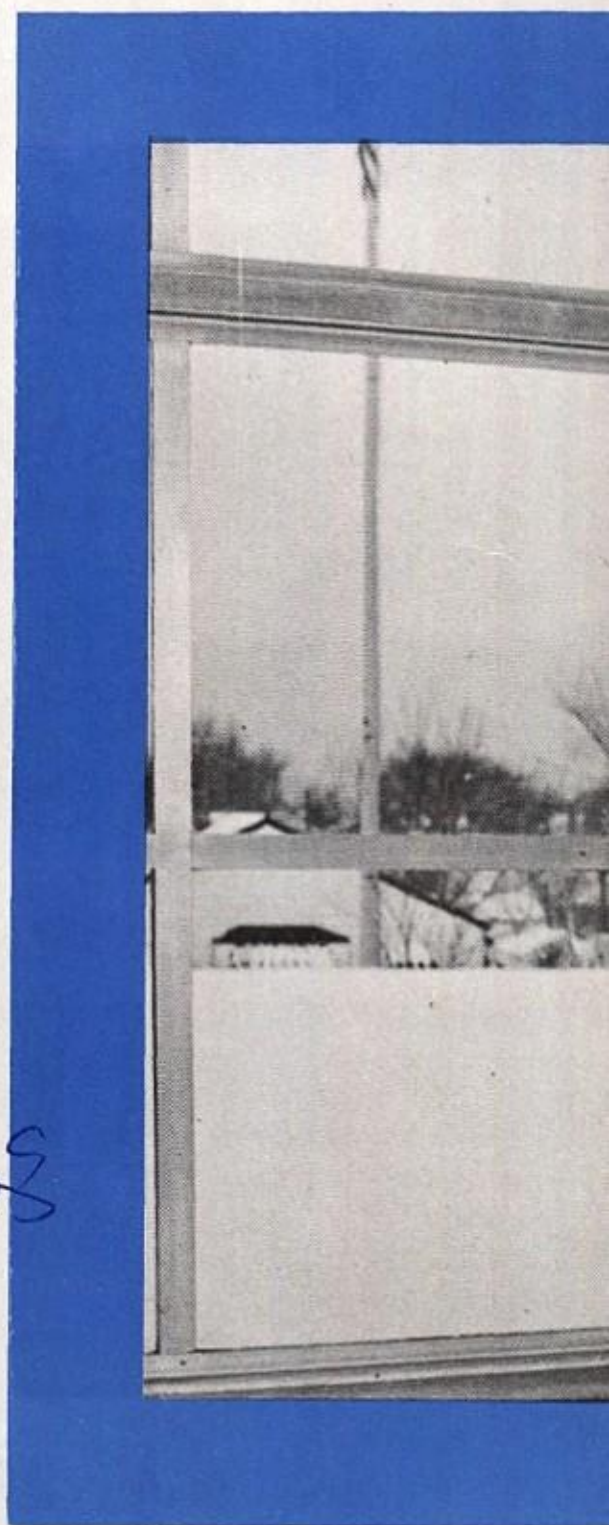

Sharron Knox
July 2, 1942 - Oct. 30, 1958

Quiet, soft-spoken "Susie" Knox will long be remembered by the junior class. A true friend to everyone who knew her, "Susie" was a conscientious worker and a faithful friend. Parkites, whether close friends or casual acquaintances, will miss their fellow classmate.

THE SENIOR CLASS OF 1959

Sounds such as — "It's fantabulous, but I'm lost!" — greeted the halls of the new St. Louis Park Senior High School when our class of '59 came as sophomores. We were so proud when Judy Row became our freshman Orchid Queen and Bruce Siewert, our Student Council secretary. Then we knew we were crossing the threshold of senior high activities, and we vowed to make the best of our high school days. Being the youngest in Park, we had many new experiences — the youth conference, Christmas Ball, senior high athletics, and Parkticipation Week. We carried on the tradition of the Soph Ball and elected Kurt Falkman to succeed Vern Strand as class president, ending our sophomore days.

The "Starlight" became our choice for class rings when we began our junior year. We realized the shortness of our high school years as we prepared for the all-important MSAT tests. The Homecoming dance became our first big responsibility, and everyone made it the best ever. Open houses and dances after the games became our main social activities along with "I Remember Mama," the A Ball, and the Tropical. Honors began to fall upon members of our class. Elizabeth Erickson and David Fleming were chosen for Girls' and Boys' State, Douglas Benson traveled through the East on the U.N. Pilgrimage, and Chris Miethe represented Park in Sweden under the A.F.S. program. Planning and enjoying the Prom brought our junior year to a close.

Being the first seniors to enjoy the new building for our high school career, we brought many changes. The Student Council constitution was completely revised, and a flag and a seal were established to show that real school spirit had arisen. Judy Lohse and David Nitz were chosen Homecoming co-chairmen in the fall. They did a wonderful job on our last, but best, Homecoming. The game against Mound was won, and Queen Donna Peterson and her attendants made it a perfect success. Girls who grabbed dates for the annual Sadie Hawkins dance saw Bruce Siewert and Karen Swanson chosen as Lil' Abner and Daisy Mae. Actors and actresses soon stemmed from rehearsals for the senior class play. "The Matchmaker" was a huge success. Game attendance zoomed as the teams provided exciting entertainment. As they won important games, the state tournament became our dream. We created "V-V-V-Voom!" and "Operation X" with the imagination and assistance of all students. The announcement of class ratings, National Honor Society, Valedictorian and Salutatorian made us realize that our days at Park were nearing the close. "A Midsummer Night's Dream" came in the spring, and all agreed it was the best production ever. Our fond memories of dances, games, dates, club meetings, the Prom, "Seniors first!" at the pep fests, the Senior Assembly, and finally, tears, brought us to commencement. With last farewells, we left the school for the final time as students of St. Louis Park Senior High School.

**This is the school that spirit built,
Under a steady hand.
Yet pushed on by a forceful will
Like that which moves the sand.
These are the kids who felt that force,
Moved along and followed its course.
These are the times when spirits ruled,
When spirit was found at its source.
These are the kids who led the way,
That kept the spirit alive within.
These are the boys who gave their all,
Who played with a will to win.
These are the kids who loved their school,
And helped her to take a stand.
Yes, this is the school that spirit built,
Under a steady hand.**

KAREN AARNES

So much energy and life in such a small package . . . senior cheerleader captain . . . faithful member in a list of activities — All School Blue Tri president, Echowan, and Canteen . . . a picture of a future homemaker.

SHARON ABERLE

Never a hair out of place . . . showed her singing ability in the talent show as a member of the Harmonettes . . . active member of G.A.A. and Red Cross . . . spirit and vitality.

**GLORIA ABLES**

An unassuming, quiet manner that would appear to be shyness . . . active in G.A.A. in her sophomore and junior year . . . an optimistic view of life . . . a ready smile marks her warm personality.

STEPHEN ABRAMS

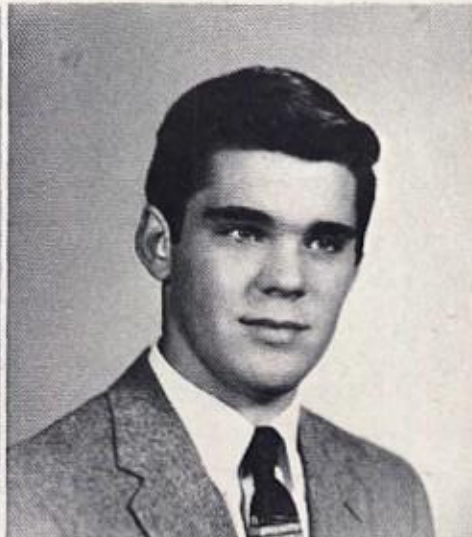

Park welcomed Stevie from North in his sophomore year . . . always full of fun — a pal to everyone . . . fine action on the football team earned him membership in the Lettermen's Club . . . anything for a good time.

**BEATRICE ANDERSON**

Dependability made her popular in many school activities . . . president of G.A.A., Glee Club, Blue Tri and Echowan . . . a sweet girl who works in a sweet shop . . . an avid note sender.

ALAN ANDERSON

A quiet personality in the class room . . . prized possession — his car . . . spent his extra hours at an outside job . . . shows his hair styles in Latin Class . . . sincere and dependable.

**GARY ANDERSON**

A friendly smile and a quiet, likeable manner . . . a "hot rod" fan . . . active in El Draco's car club . . . an outside job took up his extra hours.

JOHN ANGIER

He never did nothin' to nobody nohow! . . . spent many hours in the woodshop . . . "Smiley" likes any sort of a car . . . an undecided future.

**ANN ARCHER**

"Arch" — a unique philosophy of life . . . a devoted president of Epsilon Blue Tri chapter, French Club . . . recognized by an hysterical giggle and constant chatter.

MARK ARONSON

At a first glance, Mark seems quiet; a second glance reveals his friendly personality . . . Hi-Y member for two years . . . seen in a white shirt on Fridays as a member of the Rooter Club . . . a husky guy with big brown eyes.

DENNIS AVERY

All for fun and mischief . . . president of Brush and Palette, essential member of Hi Y . . . remembered for interesting speeches . . . a faithful patron at a certain bakery.

RICHARD BAEHNER

Not too loud, not too shy, the very nicest kind of a guy . . . an honorary member of Parkettes . . . a constant doodler . . . a helpful committee member that will be remembered.

MICHAEL ASKERMANN

A mixture of moods and thoughts . . . a willing worker in all his undertakings — special achievement: 1st row captain in Mr. Olsen's 6th hour class! . . . definite determination.

MARCEE ATKIN

Migrated to Florida but returned in her senior year . . . her enthusiasm for finding "odd props" was displayed in the "Matchmaker" . . . an attractive smile framed by a flawless complexion.

KATHERINE BAKKEN

"Susie" packs all her troubles in a box and sits on the lid and laughs . . . member of Senior Chorus . . . sweet and fun-loving.

MARSHALL BANK

Full of crazy remarks . . . a man of business shown by his work on Echowan . . . favorite place — school parking lot, favorite class — study hall . . . nonchalant manner reflected in his walk and speech.

GERALDINE BARTZ

"Geri" soothed suffering Parkites in the nurse's office first hour . . . loyal member of Camera Club . . . constant willingness to work.

JAMES BENDER

With one look from a teacher he withdraws into a book and pulls a paragraph over his eyes . . . played the part of a guard in "Hamlet" . . . seen in Mr. Heer's room doing sink paintings.

BARBARA BENSON

A quiet gal who loves to smile . . . has a special interest in the Army . . . gave her extra hours to Spanish Club and Blue Tri . . . a girl on the drums.

DOUGLAS BENSON

Park's choice for the U. N. Pilgrimage . . . "Doug" participated in Hi-Y as all-school chaplain . . . member of the racquet squad and senior council . . . never found lacking in efficiency or ability.

PENNE BERENBERG

Junior at North — senior at Park . . . easily found a place in her activities . . . a sharp dresser with the latest fashions . . . an eager student with a cooperative manner.

ANNETTE BERG

Efficient and willing worker . . . spent her fifth and sixth hours in occupational relations . . . Park gained a quiet but friendly girl when Annette came from up north — Starbuck, Minnesota — that is.

**CHARLES BERGMAN**

A quart of dynamite — pint size . . . "Charlie" had no time for girls or fame; a knowledge of cars was his aim . . . lent a helping hand in homeroom activities . . . found behind the latest "Hot Rod" magazine.

MERILYN BERGREN

Unlimited talents in art and leadership . . . a flirtatious gal with "dailey" trouble . . . a publicity committee's dream . . . devoted much time as Mu Blue Tri chapter president . . . Park's Gracie Allen.

**LINDA BERLE**

Linda — a perky, friendly member of the Spanish Club, Surf Belles, and G.A.A. . . . a welcome contribution to Park from neighboring West . . . a night owl and a class sleeper.

SUSAN BERSTEIN

Always giving of her talents — yet never without them . . . efficient Echo co-editor . . . a familiar figure accompanist for the Glee Club . . . Spanish Club and many activities didn't keep her from high grades.

**NEIL BERTHE**

Neil — has a love for baseball, school and ? — in all of which he excelled . . . his coordination gained him a place on the basketball team . . . Letterman's Club . . . naturally nice to everyone.

LESLIE BICK

"Les" — a great sense of friendliness and interest in others . . . a member of Science Club and Spanish Club . . . an exceptionally deserving vice president of the Mixed Bowling League . . . "Why do they do this to me?"

**MARCIA BITZER**

A golden smile with hair to match . . . came from a small town in her sophomore year and immediately joined Blue Tri . . . between classes and out of school, Marcia was never seen alone.

MR. EDWARD F. FOLTMER

Throughout the past twelve years, a certain prestige has been built up at Park through the guidance of our capable principal, Edward Foltmer. As a result of his sincerity, diligence, and hard work, the school has become one of high scholastic standing in both the state and the nation. Besides helping to direct curricular and extra-curricular activities, Mr. Foltmer has always been willing to share his time with both students and faculty. Next year will find him in a different position; that of Director of Secondary Education. The reputation and standards that Mr. Foltmer has set will remain here long after he has gone. We, of St. Louis Park, want to wish him the very best of success in his new post.

PRINCIPAL

AND

ASSISTANT

PRINCIPAL

Mr. Schroeder, in his position of assistant principal, supervises registration, tardiness, and absenteeism. His patience and understanding are displayed in his handling of all disciplinary problems. This is indeed a difficult job, but Mr. Schroeder has proved his authority and capability in constructively solving such cases. All these many assets will prove themselves when he leaves the senior high, to become principal of the New Westwood Junior High. We know that Mr. Schroeder will continue the enthusiasm he has shown, and we want to wish him much success in the years to come.

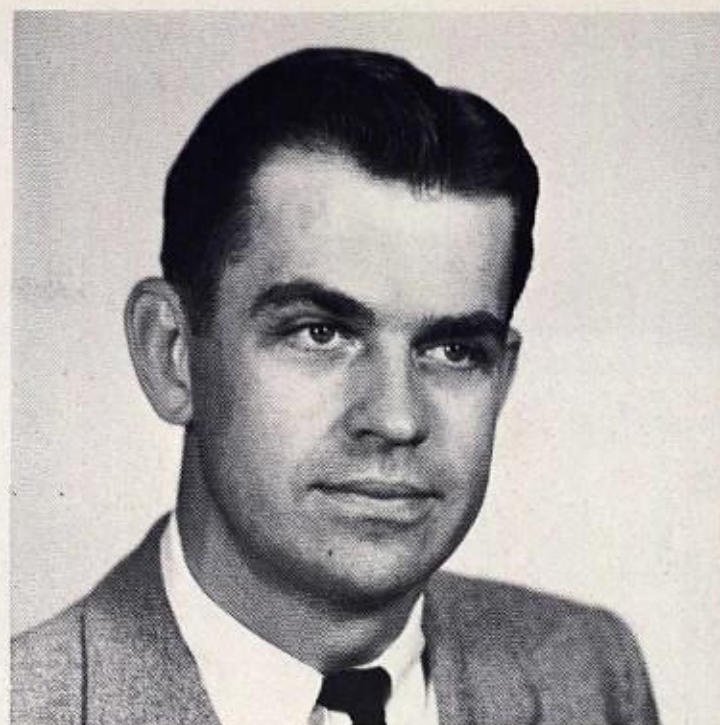

MR. PAUL C. SCHROEDER

COUNSELORS

One of our new counselors, Mr. Dawson, held a position at Robbinsdale High School before he came to Park. Advising Canteen took up much of his time that wasn't devoted to counseling. The juniors at Park certainly appreciated Mr. Dawson.

MR. DAWSON

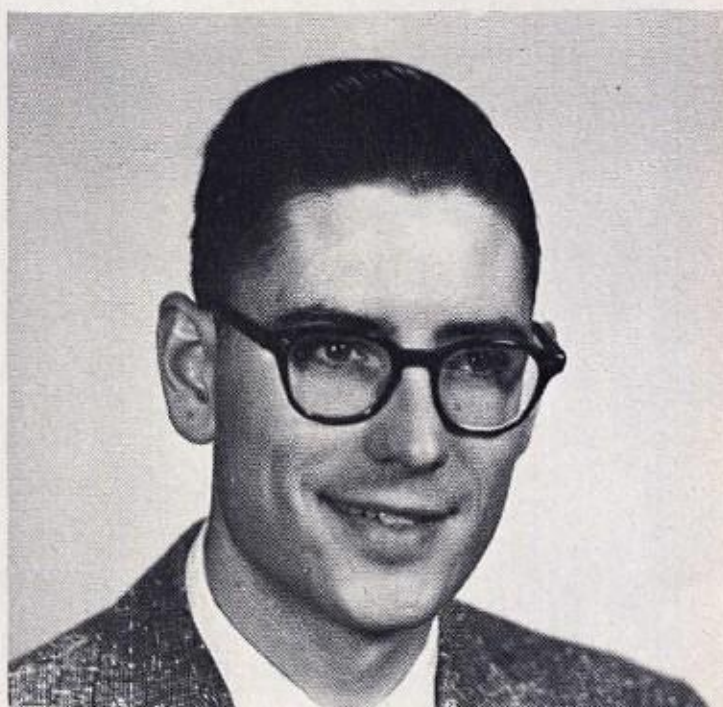

MR. LARSON

Mr. Larson is a familiar friend to all Parkites. Although he is a senior counselor, he, as the others, is willing to help any student. His new position as Director of Psychological Services will take him to the junior high where he will head both secondary and elementary counseling.

Suggestions of college and future careers is only a part of the counseling job of Miss Steele. As the other senior counselor, she also directs the Blue Tri activities. Her good humor and spirit help all students to feel free to ask her for assistance.

MISS STEELE

MR. THOMPSON

Park's other new counselor, Mr. Thompson, helps to advise the new sophomores. He, too, has counseled at other Lake Conference schools. As advisor of the Welcome Committee his capable advice is always welcomed.

Secretarial staff. Standing left to right are M. Bernstein, M. Ciesla, S. Upham, E. Rude, V. Erickson.

These secretaries have a lot to do, but they always manage to have time to help us with our problems, make-up slips and tardy passes. These make up only part of their very busy days.

Secretarial Staff and

These are the people behind the scenes. They handle secretarial work for the visual aids room, elementary and secondary education, and manage the switch-board. Mr. MacMillan and his staff are much appreciated.

SCHOOL BOARD

Seated from left to right are: E. Gordon Erickson, Walter R. Jacobson, Robert W. Hill, Mrs. Northcott, Mr. Enestvedt, Andrew Hobart, Harry J. Olson.

The newest member of Park's School Board, Mr. Erickson, has been on the board for nearly two years. He replaced Dr. Inar M. Martinsen and was elected to his present three year term. When he is not acting as trustee on the board or working at his jewelry profession, he is home with his wife and daughters, Carol, Jane, and Linda.

Mr. Jacobson, another board trustee, has completed two years of his three year term. As a competent member of the board he casts his vote for or against certain proposals. A good father to his three children, Jim, Mary Ellen, and Roy, he is employed at the Soo Line Railroad.

Mr. Hill is the third trustee on the board. He also has served for two years. Besides his school board duties, he is a wholesaler. Bob Jr., Billy, and Julie Ann, have a busy but attentive father.

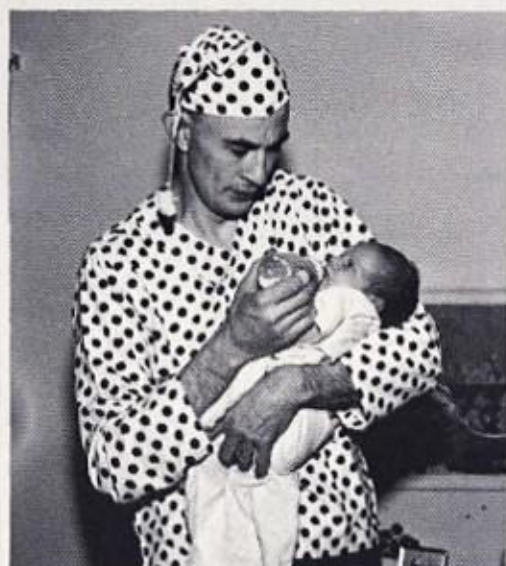

The only woman on the board is Mrs. Northcott. Her term of office as clerk expires this year and she will be up for election. In addition to her board duties and caring for Hallock and Heather, her children, she teaches special classes for underprivileged students at the University of Minnesota.

As superintendent, Mr. Enestvedt devotes nearly all of his time to school business. His wife and three children, Jim, Mary and Chuck have a right to be proud of their father for he has served capably on the board for eleven years. Mr. Enestvedt has done much to keep the standards of Park high.

Andrew Hobart has been a trustee board member for four years. As chairman of the school board, he presides over all meetings. They are held on the third Monday of each month. Special meetings are on the first Monday. Mr. Hobart has a son and daughter, Peter and Sara, and is president of an insurance company.

The school board's efficient treasurer is Mr. Olson. When he is finished with his job at Superior Separator, he spends his time with his three sons and one daughter. Marty and Sara both attend Park High. He has served on the board for seven years.

A DAY IN THE LIFE OF A TEACHER

"Why do they always get hungry about 4:00 A.M.?"

"Oh, what I could do with just one extra arm!"

"So you see, you failed the last map test."

"Say man, these free hours are real crazy!"

"Lunch and cameras? Yes, they are a lovely combination!"

"Rejoice class! The day of the test has finally arrived!"

"Thank goodness 2:30 doesn't come any later than 2:30!"

"I'll get out of this place even if it takes me until 2:40!"

"Believe me! Just because its after 2:30, that doesn't mean that there isn't any work left for us!"

IN APPRECIATION

A native of Pipestone, Minnesota, Miss Marie Wharton graduated from the University of Washington and did graduate work at the University of Wisconsin and Columbia. Her first few years of teaching were spent in the state of Washington. After returning to Minnesota, she first taught at Sandborne, Excelsior, and Hopkins High Schools before joining the faculty of St. Louis Park.

During her past thirty-six years of service at Park, Miss Wharton has witnessed great changes in the entire school system. Since 1922 she has observed three major high school building projects which consist of two additions to the present Central Junior High and the building of the new senior high. The overwhelming growth of the enrollment in grades seven through twelve has amazed Miss Wharton for she recalls when there were only 160 students as compared with over 3,000 today.

As the only instructor in the commercial department, she taught five different subjects in her first year and continued to do so for the next six years. Under her direction the department has increased from one teacher and two small rooms, to five teachers and a large, well-equipped suite which she helped design. She has an impressive record which few can match, for she has capably taught nine different courses in her career at Park including: commercial geography, shorthand I and II, typing, office practice, bookkeeping, and business English, arithmetic, and law.

Avid interest in the students is portrayed in the lengthy list of extra-curricular activities to which she has devoted much time and energy. She has served in an influential advisory capacity as the faculty supervisor of declamation, junior and senior classes, and Career Day.

The Park Echo was first published under her direction by members of her classes. Her most recent venture has been the organization of a Future Business Leaders of America Club at Park. Not only the student body, but also the faculty has benefited by her seemingly endless efforts to support various administrative committees. Her participation has been notable in the following committees: National Honor Society, grading, and scholarship awards. Her leadership ability is exemplified in the fact that she has served as an officer of the St. Louis Park Federation of Teachers.

Few will ever forget her moving address in memory of her life-long friend at the dedication ceremonies of the Ethel Baston Elementary School.

Because you, Miss Wharton, have unselfishly devoted so many years of your life in loyalty and service to the student body of St. Louis Park, we humbly dedicate this faculty section of the 1959 Echowan to you.

Marcie -

It has been fun these
past few months. I'm glad I
got talked into joining Hi-C if
you nothing else I got to meet
you. I hope it isn't sacrilege to
write & add wrinkles to Miss
Spartan's forehead! I'm sure
we'll both remember this year
always. I hope we forget
other years. I know we
never forget Ross, Jim, & the
graveyard, as Ross, Jim, & the
Bavary Queen where I presented "you"
I could write books about
them, but I won't. Bye
Now -

Yours truly
Marcie

*Dear Marcie,
Another year is over. It's kinda sad though
cause I hate to leave such a wonderful year with
so many, many things to remember. I try always the way
you are —
Love, Lay Martine*

Dear Marcie,
I have been so much
fun having you in English
this year. I hope you are in
some of my classes next year.
Good Luck,

(Uncle Bob's) room,
Best of Luck,
Marilyn Jeff

Dear Marcie, you've had
lots of fun at it of L. Keep
it up! Good luck to a well
dressed girl!
Nadi Jones

Dear Marcy,

I could write a book, but were try
to make it short & sweet! Good old Osh
I think we'll always remember her. Mr.
"D" too and all his "cracks". Last but not
least the bean pole - Jensen! I know I'll
really benefit from geometry! We can
study Hieroms all summer. I hope we
have the same lunch hour next year too.
We had such a rest! Mrs. Souveter Karen Pfeiffer

Marcie, the year's
 well, and it sure
 almost over, and it sure
 has gone fast. It's been
 real great knowing you and
 eating lunch at the same table.
 See you next year. Best of luck,
 Rita Whalen

the money!
 well here it is the
 end of another year!
 and time to say Good-
 bye to a wonderful
 experience year.
 Best of luck
 Dick Whalen

Marcie,

When I heard that Mr.
 Vallmer was coming back I was
 so glad and it would be
 just super if we were in the same
 class again. As always you have
 the warm personality that cheers
 everyone up. It's hard to find
 things to say but next year will
 be filled with lots of wonderful
 experience for both of us.

Much much and

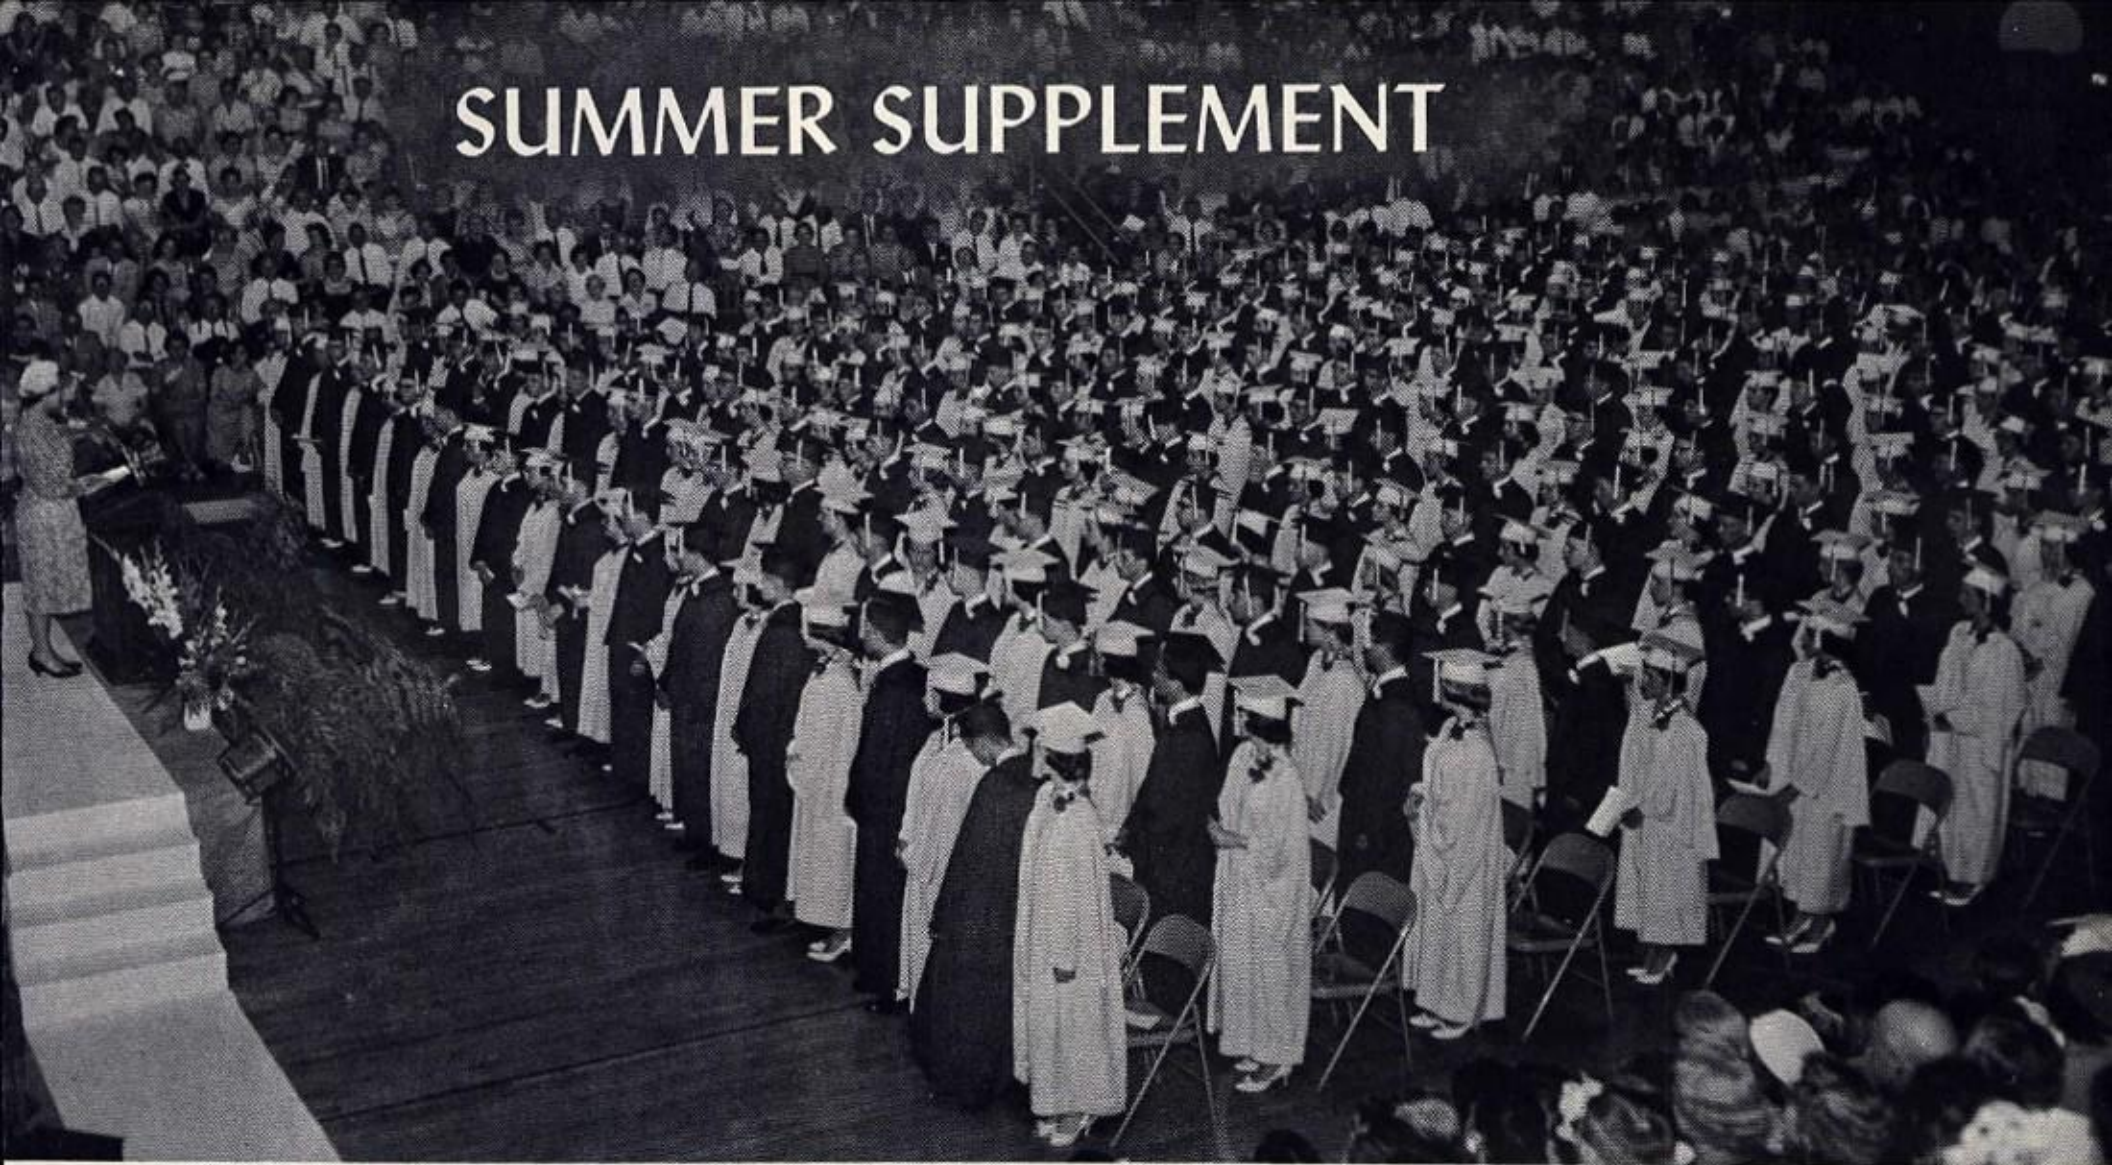

Love,

Nal

Dear Marcie,
 I was sorry that you
 weren't in any of my classes
 this year, but I hope to see
 more of you next year. This
 is hard - singing in choir,
 & writing at the same time
 but I'm trying. Good luck
 always to a nice kid. See,
 ya as a Jr. or aren't you passing?
 (as if you had to worry)
 Love,
 Joyce

Marcie,
 It's been real fun
 in everything. Lots
 of luck in Jr. - C - ?
 and everything else.

SUMMER SUPPLEMENT

The 1959 Echowan staff felt that they would like to have the Echowan be a complete record of the school activities through June 5, thus bringing the year to a close and showing the final school days for the Seniors. In order to do this, they decided to publish a supplement, letting the 1960 staff do the work and thus gain the experience needed for next year's Echowan.

TENNIS

The Tennis squad, coached by Roger Thompson, closed out their regular season of play with a loss to a strong Minnetonka team. The over-all record for conference play was a 1—7 won—loss record. This put the Orioles in a tie for sixth place. In the district play-offs, Bob Humboldt was the only player to score a point.

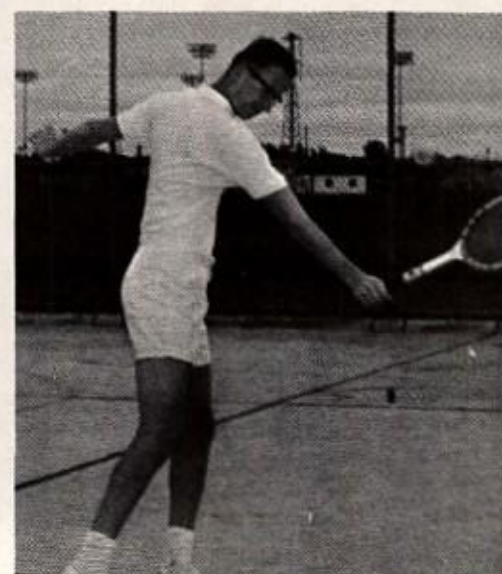

A typical lineup for a meet saw Bob Humboldt at first singles, Dick Olson at second singles, and Roger Peterson or Doug Miller holding down the third singles position. Captain Steve Seagren and number two man Doug Benson played first doubles while Dave Shank and Orrin Kirshbaum composed the second doubles team.

Next years squad will face a tremendous job of rebuilding because, of the eight lettermen, only one will be returning next year.

GOLF

Led by captain John Bix and coached by Wayne Sundberg, the divotmen of Park closed out their regular season of play with a successful 6—4 record. In competition with other Lake Conference schools, the Orioles fell only to Edina.

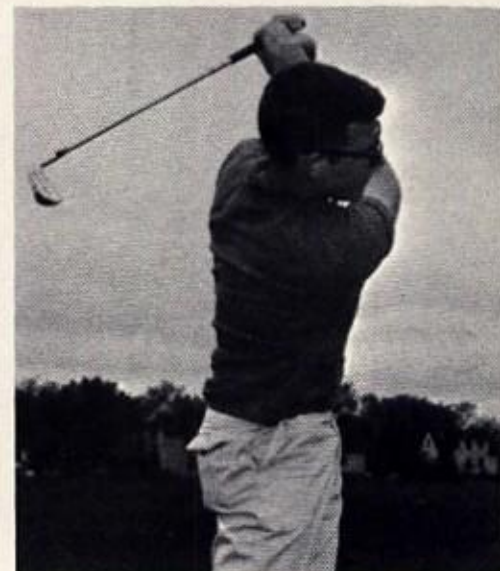

In the district play-offs, John Bix, Bill Johnson, and Jeff Partridge came through to put Park in second place, losing to champion Edina by only two strokes. Jerry Lindquist and John Bix advanced to the region.

Despite the fact that there were no returning lettermen to bolster this year's squad, the team finished with a very good record and will most likely do even better next year.

Only one member of this years squad, John Bix, will be lost through graduation. Other players expected to make a strong showing next year are Pete Walman, Dick Heimerl, Jeff Kozel, and Jim Sidwell.

SENIOR SCENES

Seniors spent a busy night May 28 signing one another's Echowan.

Senior Assembly on May 29 brought tears to some, laughter to others.

The parking lot became a center of activity as upperclassmen raced to their cars on Skip Day.

May 31 brought Baccalaureate to Park's seniors.

Mr. Foltmer's speech at the Senior Breakfast caused gales of laughter.

The Leamington Hotel played host to the graduating class's breakfast on June 4.

The long-awaited day arrived. On June 4, the Class of '59 became alumni.

Final good-byes were said to Park's foreign students, Kaija, Margaret, and John at graduation.

Concentration was found on the faces of the new graduates at the Commencement All-Night Party as they played bingo.

Dear Marcie, we have had fun in English even if we didn't learn a thing. Now
would you like to take summer school with me so we can learn something?
Really I can't say that because you are so intelligent at English. Best
